

## About ServeNebraska

### History & Introduction

In 1994, Governor Ben Nelson signed Executive Order No. 94-5 establishing the Nebraska Commission for National and Community Service, in accordance with the federal National and Community Service Trust Act of 1993. The Commission's name has changed twice since then – to the Nebraska Volunteer Service Commission in 1999 and to ServeNebraska (a new operating name in 2008). The ServeNebraska Commission is composed of up to 25 voting volunteer members appointed by the Governor creating a commission of non-partisan, diverse citizens reflecting Nebraska's unique identity. ***AmeriCorps*** – Provides opportunities for 200-300 Nebraskans each year to provide intensive results-driven service to meet critical community needs. AmeriCorps members serve in many nonprofit, faith-based and other local and governmental organizations.

***Training and Professional Development*** – ServeNebraska's Training Program provides high quality individualized and group learning and professional development to national service program members and others involved in community and national service. The signature events reflecting the Commission's emphasis on AmeriCorps members are an annual AmeriCorps Leader Launch, a member Conference and an end-of-year National Service Symposium to highlight reflection on each member's year of service.

***Volunteer Development & Recognition*** – ServeNebraska has recruited and coordinates the volunteer Ambassador network of skilled volunteer managers representing each county in our state.
