

ServeNebraska Is

- ★ A Leader In...
 - ▶ generating interest & involvement in service and volunteerism
 - ▶ maximizing the full involvement of those with disabilities in service
 - ▶ recognizing the outstanding volunteer and national service achievements of Nebraskans
- ★ Led by a diverse group of Governor-appointed volunteer Commissions and skilled staff

ServeNebraska Does

- ★ Supports the development of AmeriCorps programming throughout the state, engaging dedicated individuals who strengthen the quality of life in Nebraska through service to:
 - ▶ Increase educational competency, after school safety, and youth leadership skills
 - ▶ Expand services and service opportunities for Nebraskans with disabilities
 - ▶ Increase basic need & employment resources for low-income Nebraskans
 - ▶ Grow the literacy competency of adults
 - ▶ Prevent recidivism and maximize individual potential by developing job skills and educational opportunities for those on probation in rural and frontier Nebraska
 - ▶ Support low-income students in gaining admittance and succeeding in college
- ★ Inspires Nebraskans to get involved in making their communities stronger through the ServeNebraska Week of Service to be held in 2014 from April 20-26. Nebraskans are giving, caring people. In each year since the Volunteering in America report was launched, Nebraska has ranked among the Top 10 states in rate of volunteerism.
- ★ Increases the ability of Nebraskans to volunteer and enhances the effectiveness of community efforts in our state through the identification and mobilization of skilled volunteer managers – Ambassadors – in each of Nebraska’s 93 counties.
- ★ Honors achievement in volunteerism & national service through quarterly and annual recognition
 - ▶ Governor’s Points of Light Awards
 - ▶ First Lady’s Outstanding Community Service Awards
- ★ Unites Nebraskans in service through development and promotion of activities related to national days of service
