## Senior Companion Program

The Senior Companion Program (SCP) is part of Senior Corps, a network of national service programs that provides older Americans with the opportunity to apply their life experiences to meeting community needs. Senior Companions help more than 550 homebound seniors and other Nebraskans maintain independence in their own home. They assist with grocery shopping, bill paying, and transportation to medical appointments, and they alert doctors and family members to potential problems. Senior Companions also provide short periods of relief to primary caregivers. Because of the program, citizens are able to live with dignity in their own homes. To learn more about Senior Companions and other Senior Corps programs visit [www.seniorcorps.gov](http://www.seniorcorps.gov).
