The Foster Grandparent Program (FGP) is part of Senior Corps, a network of national service programs that provide older Americans the opportunity to put their life experiences to work for local communities. Foster Grandparents serve as one-on-one tutors and mentors to more than 2,900 young Nebraskans with special needs through a variety of community organizations, including schools, hospitals, drug treatment facilities, correctional institutions, and Head Start and day-care centers. To learn more about Foster Grandparents and other Senior Corps programs visit www.seniorcorps.gov.
