

**2017-2018 AmeriCorps*State
Notice for New & Re-competing
Formula and Planning Grant Applications**

ISSUED: May 3, 2017
DEADLINE: May 24, 2017- 5:00 pm CST

State Capitol, 6th Floor West
P.O. Box 98927
Lincoln, Nebraska 68509—8927
Phone: 402-471-62 or 800-291-8911
www.serve.nebraska.gov

CFDA: 94.006
OMB Control #: 3045-0047
Expiration Date: 10/31/2017

Application instructions go hand and hand with the NOFO and should be reviewed as the program is putting their application together. ServeNebraska is requesting ALL applicants to submit applications into eGrants and additional documents requested to dhhs.americorps@nebraska.gov.

IMPORTANT NOTICE

These application instructions conform to the Corporation for National and Community Service’s online grant application system, eGrants. All funding announcements by the Corporation for National and Community Service (CNCS) are posted on www.nationalservice.gov and www.grants.gov.

Public Burden Statement: Public reporting burden for this collection of information is estimated to average 80 hours per submission, including reviewing instructions, gathering and maintaining the data needed, and completing the form. Comments on the burden or content of this instrument may be sent to the Corporation for National and Community Service, Attn: Jennifer Bastress Tahmasebi, 250 E Street, SW, Suite 300, Washington, DC 20525. CNCS informs people who may respond to this collection of information that they are not required to respond to the collection of information unless the OMB control number and expiration date displayed on page one are current and valid. (See 5 CFR 1320.5(b)(2)(i).)

Privacy Act Notice: The Privacy Act of 1974 (5 U.S.C § 552a) requires that the following notice be provided to you: The information requested on the AmeriCorps Application Instructions is collected pursuant to 42 U.S.C. §§ 12581 - 12585 of the National and Community Service Act of 1990 as amended, and 42 U.S.C. § 4953 of the Domestic Volunteer Service Act of 1973 as amended. Purposes and Uses - The information requested is collected for the purposes of reviewing grant applications and granting funding requests. Routine Uses - Routine uses may include disclosure of the information to federal, state, or local agencies pursuant to lawfully authorized requests. In some programs, the information may also be provided to federal, state, and local law enforcement agencies to determine the existence of any prior criminal convictions. The information may also be provided to appropriate federal agencies and Department contractors that have a need to know the information for the purpose of assisting the Department’s efforts to respond to a suspected or confirmed breach of the security or confidentiality or information maintained in this system of records, and the information disclosed is relevant and unnecessary for the assistance. Executive Summaries of all compliant applications received and applications of successful applicants will be published on the CNCS website as part of ongoing efforts to increase transparency in grantmaking. This is described in more detail in the *Notice of Federal Funding Opportunity*. The information will not otherwise be disclosed to entities outside of AmeriCorps and CNCS without prior written permission. Effects of Nondisclosure - The information requested is mandatory in order to receive benefits.

Federal Funding Accountability and Transparency Act: Grant recipients will be required to report at www.FSRS.gov on all subawards over \$25,000 and may be required to report on executive compensation for recipients and subrecipients. Recipients must have the necessary systems in place to collect and report this information. See 2 C.F.R. Part 170 for more information and to determine how these requirements apply.

Indirect Cost Rates:

CNCS allows applicants to include indirect costs in application budgets. Based on qualifying factors, applicants have the option of using a federally approved indirect cost rate, a 10% de minimis rate of modified total direct costs, or may claim certain costs directly as outlined in 2 CFR § 200.413 Direct costs. Applicants who hold a federal negotiated indirect cost rate must use that rate in lieu of the AmeriCorps 5/10% allocation of administrative costs.

Applicants who hold a state or federal negotiated indirect cost rate or will be using the 10% de minimis rate must enter that information in the Organization section in eGrants.

Universal Identifier: Applications must include a Dun and Bradstreet Data Universal Numbering System (DUNS) number and register with the Central Contractor’s Registry (CCR). All grant recipients are required to maintain a valid registration, which must be renewed annually.

Table 1: Requirements in the AmeriCorps Regulations

Topics	Citation in the AmeriCorps Regulations
Member Service Activities	§2520.20 - §2520.55
Prohibited Activities	§2520.65
Tutoring Programs	§2522.900-2522.950
Matching Funds	§2521.35-2521.90
Member Benefits	§2522.240-2522.250
Calculating Cost Per Member Service Year (MSY)	§2522.485
Performance Measures	§2522.500-2522.650
Evaluation	§2522.500-2522.540 and §2522.700-2522.740
Selection Criteria and Selection Process	§2522.400-2522.475

If there is any inconsistency between the AmeriCorps regulations, the *Notice*, and the Application Instructions, the order of precedence is as follows:

1. AmeriCorps regulations 45 CFR §§ 2520–2550 take precedence over the
2. *Notice of Federal Funding Opportunity/Notice of Federal Funding Availability*, which takes precedence over the

The following **Key Factors** should be considered in crafting your application:

- Read this Request for Applications fully and carefully before beginning to work on your application.
- Release of *Notice* for formula and planning grant request for applications **May 3, 2017**
- Mandatory notification of intent to apply due to **ServeNebraska on May 12, 2017 by 5:00pm CST**.
<https://www.surveymonkey.com/r/M3XB5XP>
- Mandatory informational webinar must be attended on **May 17, 2017 at 12:00pm**. Information will be provided to each organization once intent to apply is received.
- All applicants must include Dun and Bradstreet Data Universal Numbering System (DUNS) number and register with SAM, the Federal government’s System for Awards Management. Completing these requirements early is advised.
- ServeNebraska will award formula funding to programs that consist of no fewer than 3 Member Service Years (MSY).
- No applicants may exceed the cost per member service year (MSY) of \$13,830 for cost reimbursement grants.
- The minimum living allowance for full-time AmeriCorps members is \$12,630 for 2017-2018. There is no minimum living allowance for any positions less than full time.
- ServeNebraska is electing to retain a 2% share of the 5% of federal dollars available budgeted for program year 2017-2018 administrative costs. All applicants are required to budget the maximum allowable federal resources for Administrative/Indirect costs and spend those Administrative resources.
- ServeNebraska hosts one signature event to promote professional development of AmeriCorps members within Nebraska during 2017-2018 program year-ServeNebraska Symposium: Celebration of Service to be held in the spring. All AmeriCorps programs will be expected to participate in one or more National Days of Service, which maybe sponsored by ServeNebraska. All AmeriCorps programs will be expected to identify and select AmeriCorps members to participate in Disaster Preparedness Training. Trainings to be announced. All AmeriCorps programs must participate in at least one activity during the Nebraska 150 celebration events. Events will be announced.
- All program leaders and staff assigned to the grant will need to attend Program Leader Launch that is scheduled for June 19-21, 2017.
- ServeNebraska requires programs to have a dedicated program leader identified, appropriate to the size of the program responsible to operate the AmeriCorps program and manage members.
- Childcare is a benefit for income eligible AmeriCorps members. Funding of child care for AmeriCorps member is provided directly from the Corporation for National and Community Service and is not included as a budgeted expense through this Notice.

- You must offer or make available health care benefits to full time members in accordance with AmeriCorps requirements. Except as stated below, you may not pay health care benefits to less-than-full time members with CNCS funds. You may choose to provide health care benefits to less-than-full time members from other sources (i.e.: non-federal) but the cost cannot be included in the budget. Less-than-full time members who are serving in full-time capacity for sustained period of time (such as a full-time summer project) are eligible for health care benefits. In your budget narrative, indicate the number of members who will receive health care benefits. CNCS will not pay dependent coverage.
- Deadline: All formula and planning grant applications are due in eGrants by **May 24, 2017 by 5:00pm CST**.
- Required attachments that must be emailed with subject line: Your organization name & Application I.D. number to dhhs.americorps@nebraska.gov by **May 24, 2017 by 5:00pm CST**. Attached documents include:
 - Logic Model (limit 3 pages)
 - Organizational Chart
 - Letters of Commitment from most significant community partners (limit 3)
 - Host Site Applications (if applicable)
 - List of all other Federal grants your organization holds
 - Evaluation or Evaluation Plan
 - Labor Concurrence (if applicable)
 - Indirect cost Rate Determination Letter (if applicable)
- Clarification and modification period will be **May 26**. Representative within the agency will need to be available to address questions and corrections.

If these attachments are not emailed to ServeNebraska, your application will not be considered complete.

ServeNebraska expects to announce 2017-2018 Formula Funding decisions by early May 2017.

1. Purpose of AmeriCorps Funding

ServeNebraska mobilizes Nebraskans to strengthen their communities through volunteering, collaboration, and national service programs. ServeNebraska is committed to uniting individuals in service to their communities and achieving demonstrable results by funding AmeriCorps programs that address Nebraska's unmet educational, economic, environmental, health, veterans and disaster response needs. This *Notice* is being released for new and re-competing applications for AmeriCorps programming operating exclusively within the state of Nebraska.

ServeNebraska encourages organizations to consider or submit AmeriCorps Education Award Only Program applications. Funding for Education Award Only programs assures federal support for the educational awards of enrolled members, but provides very limited operational support -- \$800 per full-time member. Grantees must use their own or other resources to cover any AmeriCorps member living allowances and other program costs. Applicants interested in submitting an Education Award Only Program application or incorporating Education Award Only positions into your program design should contact Program Officer, Audrey Jackson at 402-471-6249 or e-mail her at: dhhs.americorps@nebraska.gov for consultation and special technical assistance.

ServeNebraska administers AmeriCorps programming and funds in Nebraska as required and governed by federal and state law rules and regulations. Nebraskans have a solid history of providing innovative national service programming. AmeriCorps members, and the volunteers they have recruited, have provided thousands of hours in service aiding children, youth, and families in communities throughout the state. It is exciting that you are interested in building on this legacy.

ServeNebraska strongly recommends that potential applicants thoroughly read and understand this *Notice* prior to writing a response.

Applicants must carefully put together a proposal that will meet the demands of a potentially strong application and to consider creative and innovative collaborations. ServeNebraska also encourages applicants to carefully identify ways these activities can be supported with local resources by reaching out to new partners and introducing visionary service methods should Corporation for National & Community Service (CNCS) funding be reduced or eliminated.

AmeriCorps grants are awarded to eligible organizations (see *Eligible Applicants* section) proposing to engage AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust that members can use to pay for higher education expenses or apply to qualified student loans.

CNCS Focus Areas

The National and Community Service Act of 1990, as amended by the Serve America Act, emphasizes measuring the impact of service and focusing on a core set of issue areas. In order to carry out Congress' intent and to maximize the impact of investment in national service, CNCS has the following focus areas:

Disaster Services

Grant activities will provide support to increase the preparedness of individuals for disasters, improve individuals' readiness to respond to disasters, help individuals recover from disasters, and/or help individuals mitigate disasters. Grantees also have the ability to respond to national disasters under CNCS cooperative agreements and FEMA mission assignments.

Economic Opportunity

Grants will provide support and/or facilitate access to services and resources that contribute to the improved economic well-being and security of economically disadvantaged people; help economically disadvantaged people, including youth identified in My Brother's Keeper (see Mandatory Supplemental Guidance) to have improved access to services that enhance financial literacy; transition into or remain in safe, healthy, affordable housing; and/or have improved employability leading to increased success in becoming employed.

Education

Grants will provide support and/or facilitate access to services and resources that contribute to improved educational outcomes for economically disadvantaged children; improved school readiness for economically disadvantaged young children; improved educational and behavioral outcomes of students in low-achieving elementary, middle, and high schools; and/or support economically disadvantaged students prepare for success in post-secondary educational institutions.

Environmental Stewardship

Grants will provide support for increased individual behavioral change leading to increased energy efficiency, renewable energy use, and ecosystem improvements particularly for economically disadvantaged households and communities. Grant activities will decrease energy and water consumption; improve at-risk ecosystems; increase behavioral changes that lead directly to decreased energy and water consumption or improved at-risk ecosystems; and/or increase green training opportunities that may lead to decreased energy and water consumption or improved at-risk ecosystems.

Healthy Futures

Grants will provide support for activities that will improve access to primary and preventive health care for communities served by CNCS-supported programs; increase seniors' ability to remain in their own homes with the

same or improved quality of life for as long as possible; and/or increase physical activity and improve nutrition in youth with the purpose of reducing childhood obesity.

Veterans and Military Families

Grants will positively impact the quality of life of veterans and improve military family strength; increase the number of veterans, military service members, and their families served by CNCS-supported programs; and/or increase the number of veterans and military family members engaged in service through CNCS-supported programs.

2. Funding Priorities (See Mandatory Supplemental Guidance for further information about some of the priorities)

ServeNebraska seeks to prioritize the investment of national service resources in:

- Disaster Services - improving community resiliency through disaster preparation, response, recovery, and mitigation
- Economic Opportunity - increasing economic opportunities for communities by engaging opportunity youth, either as the population served and/or as AmeriCorps members
- Education - improving student academic performance in Science, Technology, Engineering, and/or Mathematics (STEM)
- Environment - 21st Century Service Corps
- Healthy Futures – Reducing and/or Preventing Prescription Drug and Opioid Abuse
- Veterans and Military Families -- positively impacting the quality of life of veterans and improving military family strength
- Governor and Mayor Initiatives
- Programming that supports My Brother's Keeper
- Multi-focus intermediaries that demonstrate measureable impact and primarily serve communities with limited resources and organizational infrastructure. i.e. rural and other underserved communities
- Safer communities
- Evidence Based Intervention Planning Grants
- Encore Programs

In order to receive priority consideration and three points for submitting an application within a *Notice* priority(ies), applicants must demonstrate that the priority area is a significant part of the program focus and intended outcomes and must include a high quality program design. Responses that propose programs for the purpose of receiving priority consideration are not guaranteed funding.

3. National Performance Measures

ServeNebraska expects applicants to use National Performance Measures as part of their comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work as well as make tactical and strategic adjustments to achieve their goals. For more information, please refer to the National Performance Measure Instructions [<http://www.nationalservice.gov/build-your-capacity/grants/funding-opportunities>].

All applications must include at least one aligned performance measure (output and outcome) that corresponds to the proposed primary intervention. ServeNebraska does not expect applicants to select performance measures to correspond to each and every potential member activity or community impact. ServeNebraska values the quality of performance measures over the quantity of performance measures. As described in the Application Instructions, applicants must include all their information about their proposed performance measure in the Performance Measure section of the applications. All information requested in the National Performance Measure Instructions must be included in the text of the performance measures themselves, and it must be evident in the performance measure text that all definitions and requirements outlined in the National Performance Measures Instructions are met. Providing performance measures information elsewhere in the narrative cannot be in lieu of providing full information in the Performance Measures section of the application.

4. Program Authority

CNCS's legal authority to award these grants is found in the National and Community Service Act of 1990, as amended, (NCSA) (42 U.S.C. 12501 et seq.)

B. AWARD INFORMATION

1. Estimated Available Funds

ServeNebraska expects a highly competitive AmeriCorps FY 2017 formula grant competition. Grant awards have two components: operating funds and AmeriCorps member positions. Grant award amounts vary – both in the level of operating funds and in the type and amount of AmeriCorps member positions – as determined by the scope of the projects.

2. Project and Award Period

ServeNebraska generally makes an initial award for the first year of operation. In most cases, the application is submitted with a one-year budget. Continuation funding is not guaranteed. Factors considered in awarding continuation grants include satisfactory performance, demonstrated capacity to manage the grant, compliance with grant requirements, agency priorities, and the grant budget is managed well. ServeNebraska reserves the right to adjust the amount of a grant or elect not to continue funding for subsequent years.

4. Type of Award

AmeriCorps Operating Grants: ServeNebraska may award a Cost Reimbursement or a Fixed Amount grant to any successful applicant, but the availability of a Full Time Fixed Amount grant is limited to certain applicants. See the *Eligible Applicants* section and the Mandatory Supplemental Guidance for more information. ServeNebraska will not provide both types of grants for the same project in one fiscal year.

General Summary

Grant Types	Cost Reimbursement			Fixed Amount		
	Traditional	Professional Corps	Evidence Based Planning Grant	Full time	EAP	Professional Corps
Maximum Cost per MSY	\$13,830	Up to \$1,000*	N/A	\$13,430	\$800	Up to \$1,000*
Type of Slots in the National Service Trust	All	All	N/A	Full-time or Less than Full-time serving in a full time capacity	All	Full-time only
Budget Submission Required	Yes			No		Yes, if requesting operating funds
Availability of Funds linked to enrollment and retention of awarded MSYs	No			Yes		
Special Requirements	N/A	Must place qualified professionals in communities with an inadequate number of such professionals. Member salaries must be paid entirely by organization where member serves and not included in budget.	See Notice	N/A		Must place qualified professionals in communities with an inadequate number of such professionals. Member salaries must be paid entirely by organization where member serves and not included in budget.
Financial Reporting Requirements	Yes	Yes; Living allowance or salary paid to members may not be counted toward the match requirements	Yes	No		
Available to new Applicants	Yes			No	Yes	

*ServeNebraska assumes that Professional Corps will cover the operating expenses associated with the AmeriCorps program through non-CNCS funds and thus will not be requesting operating funds as part of their applications. ServeNebraska will consider Professional Corps programs' requests for operating funds of up to \$1,000 per MSY if an applicant is able to demonstrate in its narrative and supporting budget materials significant legal applicant financial need and substantial challenges to raising non-CNCS resources.

ServeNebraska will determine whether a Professional Corps legal applicant has sufficiently demonstrated that they cannot effectively operate an AmeriCorps program without receiving CNCS operating funds on a case-by-case basis, examining all of the circumstances surrounding the application. There are a wide variety of circumstances under which a Professional Corps legal applicant will be able to demonstrate a compelling need for operating funds. However, given the high demand for AmeriCorps funding there are also specific circumstances where ServeNebraska believes that a Professional Corps legal applicant will be highly unlikely to demonstrate a need for operational funds. For example, where ServeNebraska's due diligence review of a Professional Corps application shows that the applicant has a historically high level of support from non-CNCS sources, and as a result has levels of unrestricted net assets that are well in excess of the requested level of ServeNebraska funding, it is difficult to see how the Professional Corps would be able to demonstrate that they should receive operational funding (which would inherently reduce the funding available to other high-quality applicants).

C. ELIGIBILITY INFORMATION

1. Eligible Applicants

The following entities are eligible to apply: public or private nonprofit organizations, including faith based and other community organizations; intuitions' of higher education; government entities within state or territories (e.g.: cities, counties); labor organizations, partnerships and consortia; and Indian Tribes.

The following Non-Federal entities (as defined in 2 C.F.R. §200.69) who have DUNS numbers and are registered in System for Award Management (SAM) are eligible to apply:

- Indian Tribes (2 C.F.R. §200.54)
- Institutions of higher education (2 C. F.R. §200.54)
- Local governments (2 C.F.R. §200.64)
- Nonprofit organizations (2 C.F.R. §200.70)
- States (2 C.F.R. §200.90)

Previously receiving funds from CNCS or another federal agency is not a prerequisite to apply to this *Notice*.

Under section 132A(b) of the NCSA, organizations that have been convicted of a federal crime may not receive assistance described in this *Notice*.

Note that under section 745 of Title VII, Division E of the Consolidated Appropriations Act, 2016, if CNCS is aware that any corporation has any unpaid Federal tax liability which—

- has been assessed
- for which all judicial and administrative remedies have been exhausted or have lapsed, and
- that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, that corporation is not eligible for an award under this Notice.¹ A similar restriction may be enacted with the appropriation which will fund awards under this *Notice*.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, 26 U.S.C. 501(c)(4) that engages in lobbying activities is not eligible to apply for CNCS funding.

New Applicants

ServeNebraska encourages organizations that have not received prior funding from ServeNebraska and/or CNCS to apply. ServeNebraska will award formula funding to programs that consist of no fewer than 3 Member Service Years (MSY).

¹ However, this exclusion will not apply to a corporation which a Federal agency has considered for suspension or debarment and has made a determination that suspension or debarment is not necessary to protect the interests of the Federal Government.

New applicants are eligible to apply for Cost Reimbursement and Education Award Program (EAP) grants but are not eligible to apply for Full Time Fixed Amount grants. Existing subgrantees/operating sites of Fixed Amount and Cost Reimbursement grantees that can demonstrate a successful history and current capacity to manage a Fixed Amount grant are considered to have AmeriCorps experience and therefore can apply for Fixed Amount grants. See Mandatory Supplemental Guidance for more information.

2. Threshold Issues

Applications should reflect that they meet the following threshold requirements for the grant type for which they are applying.

- All applicants should request at least 3 Member Service Years (MSY)
- If an applicant is applying for a Professional Corps grant, its application must demonstrate that the community in which it will place AmeriCorps members serving as professionals has an inadequate number of said professionals.
- If an applicant is applying for a Full Time Fixed Amount grant, the application must reflect that only full-time or less than full-time positions serving in a full-time capacity will be permitted.
- An application for the Governor and Mayor Initiative must clearly reflect that the application is from one Governor, one or more Mayors, and a minimum of two nonprofits.
- If the proposed service activities require specialized member qualifications and/or training (for example, tutoring programs: 45 C.F.R. §2522.910-.940), the applicant must describe how the program will meet these requirements.

3. Other Requirements

D. APPLICATION AND SUBMISSION INFORMATION

This *Notice* should be read together with the AmeriCorps Regulations, 45 C.F.R. §§ 2520–2550, the Mandatory Supplemental Guidance, Application Instructions, and the Performance Measure Instructions which are incorporated by reference. These documents can be found at <http://www.nationalservice.gov/build-your-capacity/grants/funding-opportunities>. The full Regulations are available online at www.ecfr.gov.

1. Address to Request Application Package

Applicants should refer to <http://www.serve.nebraska.gov> to obtain the necessary information to apply.

Applicants can also send an email to dhhs.americorps@nebraska.gov or call (402) 471-6249 for a printed copy of the application materials.

2. Content and Form of Application Submission

Applicants will enter the following components of a complete application into eGrants system. Reference application instructions on how to enter into eGrants.

- Standard Form 424 (SF-424) Face Sheet: This is automatically generated when applicants complete the data elements in the eGrants system
- Narratives
 - Executive Summary
 - Program Design
 - Organizational Capability
 - Cost Effectiveness and Budget Adequacy
- Standard Form 424 Budget
- Performance Measures
- Authorization, Assurances, and Certification

Applicants will email additional documentation to dhhs.americorps@nebraska.gov

- Logic Model (limit 3 pages)
- Organizational Chart
- Letters of Commitment from most significant community partners (limit 3)
- Host Site Applications (if applicable)

- List of all other Federal grants your organization holds
- Evaluation or Evaluation Plan-Evaluations completed by a program leader will not be accepted.
- Labor Concurrence (if applicable)
- Indirect cost Rate Determination Letter (if applicable)

If these attachments are not emailed to ServeNebraska, your application will not be considered complete.

3. Dun and Bradstreet University Numbering System (DUNS) Number and System for Award Management (SAM)

Applications must include a DUNS number **and** an Employer Identification Number. The DUNS number does not replace an Employer Identification Number. DUNS numbers may be obtained at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online: [DUNS Request Service](#). ServeNebraska recommends registering at least 30 days before the application due date.

After obtaining a DUNS number, all applicants **must** register with the [System for Award Management \(SAM\)](#) and maintain an active SAM registration until the application process is complete and, if a grant is awarded, throughout the life of the award. SAM registration must be renewed annually. ServeNebraska suggests finalizing a new registration or renewing an existing one at least two weeks before the application deadline to allow time to resolve any issues that may arise. Applicants must use their SAM-registered legal name and address on all grant applications to CNCS.

Applicants that do not comply with these requirements may become ineligible to receive an award. See the [SAM Quick Guide for Grantees](#).

4. Submission Dates and Times

a. Notification of Intent to Apply

Applicants interested in applying for competitive funding must submit a notice of intent to apply at <https://www.surveymonkey.com/r/M3XB5XP>

Notice of Intent to Apply must be submitted by **May 12, 2017 5:00pm CST**.

b. Application Submission Deadline

Applications are due into eGrants system **May 24, 2017 by 5:00pm CST**. This deadline applies to new and re-competing applicants.

5. Funding Restrictions

a. Member Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in the table below. For Cost Reimbursement grants, the amount must be included in the proposed budget as either CNCS or grantee share. Exceptions are noted below.

While Fixed Amount grant applicants are not required to submit detailed budgets, they are still required to provide a living allowance to members that complies with the minimum and maximum requirements. Exceptions noted below. Most Fixed Amount grant applicants are not required to indicate that amount in the application and should request those positions as “without living allowance” in the budget.

Table: Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1700	\$12,630	\$24,930
Half-time	900	n/a	\$13,199
Reduced Half-time	675	n/a	\$9,899
Quarter-time	450	n/a	\$6,599
Minimum-time	300	n/a	\$4,400

Exceptions to the Living Allowance Requirements

1. Programs existing prior to September 21, 1993 are not required to offer a living allowance. If an applicant chooses to offer a living allowance, it is exempt from the minimum requirement, but not the maximum requirement.

2. EAP Grantees are not required to provide a living allowance, but if a living allowance is provided, it must comply with the maximum requirements set forth in the Living Allowance Table above.

3. Professional Corps Grantees must provide members a living allowance or salary, which must meet the minimum, but may exceed the maximum living allowance set in the Living Allowance Table above. Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget.

b. Maximum Cost per Member Service Year (MSY)

Maximum cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested. It does not include child care or the value of the education award a member may earn. The maximum amount an applicant may request from CNCS per MSY is determined on an annual basis.

New and re-competing State Commission sub-grantees/applicants will be held to the maximum cost per MSY for their grant type.

Table: Maximum Cost per MSY

Grant Program	Maximum
Individual Competitive State/Territory Program (cost reimbursement)	\$13,830
Multi-state (cost reimbursement)	\$13,830
Professional Corps Grant (Cost Reimbursement)	Up to \$1,000*
Professional Corps Fixed Amount Grant	Up to \$1,000*
Education Award Program Fixed Amount Grant	\$800
Fulltime Fixed Amount Grant	\$13,430
State/Territory Commission Formula Prime	\$18,000
Individual State/Territory Formula Program	\$20,000
State/Territory Commission Average (of all its subgrants)	\$13,830

*ServeNebraska’s assumption is that Professional Corps will cover the operating expenses associated with the AmeriCorps program through non CNCS funds and thus will not be requesting operating funds as part of their applications. CNCS will consider operating funds of up to \$1,000 per MSY if an applicant is able to demonstrate in its narrative and supporting budget materials significant organizational financial need and substantial challenges to raising non CNCS resources.

Cost reimbursement programs operating in rural communities (as defined in the Mandatory Supplemental Guidance) and cost reimbursement programs that recruit opportunity youth as AmeriCorps members may request up to \$14,000 cost per MSY for the AmeriCorps members that will be serving in rural areas or who are opportunity youth. Applicants requesting the higher cost/MSY must include a compelling case justifying the cost/MSY and explaining why these costs cannot be covered by the Grantee Share (Match).

c. Amount of the Segal AmeriCorps Education Award for FY 2017

AmeriCorps members serving in programs funded with FY 2017 dollars who successfully complete a term of service will receive an Education Award from the National Service Trust of \$5,815.00 for a year of full-time service, with correspondingly smaller awards for less than full-time service. The amount of the Education Award is linked to the value of the Pell Grant. A member has up to seven years after his or her term of service to use the Education Award.

Table: Term of Service and Education Award

Term of Service	Minimum # of Hours	Education Award
Full Time	1700	\$5,815.00
Half Time	900	\$2,907.50
Reduced Half Time	675	\$2,215.24
Quarter Time	450	\$1,538.36
Minimum Time	300	\$1,230.69

d. Cost Sharing or Matching

Fixed Amount Grants and Education Award Program Grants

There is no specific match requirement for Fixed Amount grants and Education Award Program.

ServeNebraska/CNCS does not provide all the funds necessary to operate the program; therefore organizations must raise the additional revenue required to operate the program.

Cost Reimbursement Grants

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in 45 C.F.R. §2521.60 and below.

AmeriCorps Funding Year	1, 2, 3	4	5	6	7	8	9	10+
Grantee Share Requirements	24%	26%	30%	34%	38%	42%	46%	50%

Section 121(e)(5) of NCSA (42 U.S.C. 12571(e)) requires programs that use other federal funds as match for an AmeriCorps grant to report the amount and source of these funds to CNCS on a Federal Financial Report. Grantees must track and be prepared to report on that match separately each year and at closeout.

The living allowance or salary provided to AmeriCorps members in Professional Corps programs (see Mandatory Supplemental Guidance) does not count toward the matching requirement.

Alternative Match

Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in the regulations at 45 C.F.R. §2521.60(b). To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Applicants that plan to request an alternative match schedule must submit a request at the time the application is submitted. Applicants submit requests for alternative match to ServeNebraska .

e. Indirect Costs

ServeNebraska/CNCS allows applicants to include indirect costs in application budgets. Based on qualifying factors, applicants have the option of using a federally approved indirect cost rate, a 10% de minimis rate of modified total direct costs, or may claim certain costs directly as outlined in 2 C.F.R. § 200.413 Direct costs. States, local governments and Indian Tribes may use approved cost allocation plans. All methods must be applied consistently across federal awards. Applicants who hold a federal negotiated indirect cost rate or will be using the 10% de minimis rate must enter that information in the Organization section in eGrants. However, under section 121(d) of the NCSA and CNCS’s regulations at 45 C.F.R. 2517.710, no more than five percent of award funds may be used to recover indirect costs on AmeriCorps grants.

6. Other Submission Requirements

a. Late Applications

In cases where an applicant is unable to submit the application by deadline, ServeNebraska may, at its discretion, consider an application received after the deadline; but only if the applicant submits a letter to dhhs.americorps@nebraska.gov explaining the extenuating circumstances that caused the delay. All deadlines are a requirement of this Notice. ServeNebraska does not accept applicants submitted via fax.

b. Electronic Application Submission in eGrants

Applicant must submit applications into eGrants system by **May 24, 2017 by 5:00pm CST**. Please note the length of a document in word processing software may be different than what will print out in eGrants. When determining compliance with any page limits in this *Notice*, ServeNebraska will consider the number of pages as they print out per the guidance in the *Page Limits* section.

c. Submission of Additional Documents

Applicants are required to submit the following additional documents by the application submission deadline: May 24, 2017 by 5:00pm CST to dhhs.americorps@nebraska.gov.

Do not submit other items not requested in this *Notice* or Application Instructions. ServeNebraska will not review or return them.

d. Page Limits

Applications may not exceed 15 pages for the Narratives or 18 pages for Multi-Focus Intermediaries and Multi-State applications with more than five operating sites applicants. ServeNebraska will use the number of locations entered by the applicant into the “multi-state operating sites” field in the grant application to determine whether a multi-site application have more than five operating sites. The “multi-site operating sites” filed can be found by clicking on the “operating sites” link in the grant application . Multi-state applicants that list five or fewer operating sites cannot exceed 15 pages for the Narrative.

E. APPLICATION REVIEW INFORMATION

1. Criteria

Each applicant must describe a project that will deploy AmeriCorps members effectively to solve a significant community problem. ServeNebraska urges applicants to submit high quality applications that carefully follow the guidance in this *Notice* and in the Application Instructions. The quality of an application will be an important factor in determining whether an organization will receive funding.

A. Executive Summary (Required - 0 percent)

Please fill in the blanks of these sentences to complete the Executive Summary. Do not deviate from the template below.

The [Name of the organization] proposes to have [Number of] AmeriCorps members who will [service activities the members will be doing] in [the locations the AmeriCorps members will serve]. At the end of the first program year, the AmeriCorps members will be responsible for [anticipated outcome of project]. In

addition, the AmeriCorps members will leverage an additional [number of leveraged volunteers, if applicable] who will be engaged in [what the leveraged volunteers will be doing.]

This program will focus on the focus area(s) of [Focus Area(s)].* The AmeriCorps investment of \$[amount of request] will be matched with \$[amount of projected match], \$[amount of local, state, and federal funds] in public funding and \$[amount of non-governmental funds] in private funding.

Fixed Amount grant applicants (EAP, Fulltime Fixed, and Professional Corps Fixed) should list their Other Revenue (see Mandatory Supplemental Guidance) because they are not required to provide a specific amount of match, but still must raise significant additional resources to operate the program. ServeNebraska will post all Executive Summaries of awarded grant applications on www.servenebraska.gov in the interest of transparency and Open Government.

B. Program Design (50 percent)

Reviewers will consider the quality of the application's response to the criteria below. Do not assume all sub-criteria are of equal value.

1. Need (2 points)

- The community need is prevalent and severe in communities where members will serve and has been documented with relevant data.

“Community” can be a geographic region, a specific population of people, or a combination of both. The applicant organization must document the need it plans to address with its proposed program, whether it is a defined geographic community or a subset of individuals living in a particular area.

2. Intervention (3 points)

- The proposed intervention is clearly described.
- The proposed intervention aligns with the identified community need.

3. Theory of Change and Logic Model (19 points)

The Theory of Change shall address:

- The applicant's proposed intervention is clearly articulated including the design, target population, and roles of AmeriCorps members and (if applicable) leveraged volunteers.
- The applicant's intervention is likely to lead to the outcomes identified in the applicant's theory of change. The theory of change should be either evidence-informed or evidence-based, meaning that the proposed intervention is guided by the best available research evidence that supports its effectiveness, as described in the *Evidence Base* section below.
- The proposed outcomes articulated in the application narrative and Logic Model represent meaningful progress in addressing the community need identified by the applicant. Applicants should provide rationale for selecting output and outcome targets. Note, re-competing applicants proposing to significantly increase or decrease output and outcome targets from their previous grant must provide a justification for this change.
- The applicant's AmeriCorps members will produce significant contributions to existing efforts to address the stated problem.

The Logic Model shall depict:

- A summary of the community problem/need outlined in the narrative.
- The inputs or resources that are necessary to deliver the intervention, including but not limited to:
 - Number of locations or sites in which members will provide services
 - Number of AmeriCorps members that will deliver the intervention
- The core activities that define the intervention or program model that members will implement or deliver, including:
 - The duration of the intervention (e.g., the total number of weeks, sessions or months of the intervention)

- The dosage of the intervention (e.g., the number of hours per session or sessions per week)
- The target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level)
- The measurable outputs that result from delivering the intervention (i.e. number of beneficiaries served.) If applicable, identify which National Performance Measures will be used as output indicators
- Outcomes that demonstrate changes in knowledge/skill, attitude, behavior, or condition that occur as a result of the intervention. If applicable, identify which National Performance Measures will be used as outcome indicators.

Programs may include short, medium, or long-term outcomes in the Logic Model. While performance measure outcomes should be consistent with the program’s theory of change, programs are not required to measure all outcomes that are included in the Logic Model.

Applicants with multiple interventions should complete one Logic Model chart which incorporates each intervention. Logic model content that exceeds three pages will not be reviewed.

4. Evidence Base (12 points)

Applicants will be awarded up to 12 points for providing evidence that their proposed intervention will lead to the outcomes identified in the logic model. Applicants must 1) state the evidence tier in which they think they qualify; 2) clearly indicate and describe the evidence that supports the highest evidence tier for which they are eligible and 3) describe the complete body of evidence that supports their program intervention including evidence from lower tiers. Applicants should pay particular attention to the requirements for each tier of evidence. More points are awarded for higher tiers of evidence.

In 2016, the evidence tiers of funded AmeriCorps State and National competitive grantees’ were as follows: Strong 17%, Moderate 9%, Preliminary 39%, and Pre-Preliminary 24%. ServeNebraska/CNCS expects the programs it funds to be progressing along the evidence continuum. Thus, do not be deterred from applying for funding due to your current evidence level.

Applicants classifying their evidence as preliminary who propose to replicate an identical or similar evidence-based intervention, as well as applicants classifying their evidence as either moderate or strong evidence should reference the information about the evidence tiers provided below. Submission of additional documents (e.g., advocacy pieces, policy briefs, other narratives not research studies or program evaluations) that are not consistent with the guidance and requirements described in the Notice will not be reviewed.

All applicants must include as much detailed information as possible in the Evidence section of the application. Applicants that have collected relevant performance measurement data must describe this data. Applicants that have conducted evaluations of their own program or that are replicating other evidence-based programs must describe these evaluations as outlined in the evidence tier descriptions. Applicants are advised to focus on presenting high-quality evidence from up to two of the strongest and most relevant studies while also summarizing the remaining body of evidence that exists for the program. Studies must be evaluations of specific programs or interventions. Research that does not focus on a specific program or intervention, but rather focuses on a broader issue area or population, will not be considered applicable and will not be reviewed or receive any points.

When describing research studies or evaluations in the application narrative, applicants must include the following information in order to earn points:

- 1) The date the research or evaluation was completed, and the time period for which the intervention was examined
- 2) A description that shows the study’s relevance to the proposed intervention
- 3) A description of the target population studied (e.g. the demographics)
- 4) The methodology used in the study (e.g.; outcome study, random assignment, regression discontinuity design, propensity score matching, etc.)
- 5) A description of the data, data source, and data collection methods

- 6) The outcomes or impacts examined and the study findings
- 7) The strength of the findings (e.g. effect size, confidence level, statistical power of the study design and statistical significance of findings).

Applicants must provide this information in the narrative even if they submit the study or evaluation. Applicants should provide citations for the studies they describe, if applicable; however, reviewers will not review any links or cited documents referenced in the application and will not review any additional documents that is not a study submitted in accordance with the *Notice* instructions.

Reviewers will examine the descriptions (and attached studies if relevant) using the following criteria:

- a) How closely the intervention evaluated in the studies matches the one proposed by the applicant;
- b) The methodological quality and rigor of the studies presented (e.g., sample size and statistical power, internal and/or external validity, use of control or equivalent comparison groups, baseline equivalence and study attrition, etc.);
- c) Strength and consistency of the findings, with preference given to findings that show a meaningful and persistent positive effect on participants demonstrated with confidence levels; and
- d) The date of the study, with a preference towards studies that have been conducted within the last six years.

If the evidence submitted as part of an application does not describe a well-designed and well-implemented evaluation, the applicant may be considered for a lower tier of evidence and related point values. Applicants must meet all requirements of the evidence tier in order to be considered for that tier. Applicants that do not meet all requirements will be considered for a lower tier.

Requirements associated with the five evidence tiers are described next.

No evidence (0 points) means that the applicant has not provided evidence that they have systematically collected any qualitative or quantitative data to date.

Applicants in this tier must describe how their program design is evidence-informed. An evidence-informed program uses the best available knowledge, research and evaluation to guide program design and implementation, but does not have scientific research or rigorous evaluation of the program itself. Applicants may describe up to two research or evaluation studies that inform their program design but may not submit these studies.

Pre-preliminary evidence (1-2 points) means the applicant has demonstrated data collection experience testing or tracking at least one aspect of its logic model. For example, the applicant has collected systemic and accurate data on one or more of the following: the community need the proposed intervention will address, the program intervention's activities and services delivered, participation in the intervention by the target population, and/or participant outcomes (for example, performance measurement data or a process evaluation assessing implementation of the intervention.)

In order to qualify for this tier, the applicant must have collected data about their own program. The data collection process and results must be described fully and the applicant should explain the link between data collection and the relevant component(s) of its logic model. Applicants should describe evidence for the pre-preliminary tier in the Evidence section of the application but should not submit additional documents unless required to meet CNCS evaluation requirements.

Preliminary evidence (3-6 points) means the applicant has provided data from at least one outcome study of their own intervention that yielded promising results for the proposed intervention or that the applicant proposes to replicate a similar intervention with fidelity to the evaluated program model. The ways to demonstrate preliminary level of evidence are as follows:

Preliminary with Outcome Study The applicant must describe at least one outcome study that was conducted of their own intervention. This must include a detailed description of the outcome study data from pre and post-tests

without a comparison group or post-test comparison between intervention and comparison groups. In some cases a retrospective pre-post test may be considered, but its use must be justified. This description should explain whether the outcome study was conducted internally by the applicant organization or by an entity external to the applicant. Applicants must describe the studies fully but should not submit them unless required to meet CNCS evaluation requirements. Outcome evaluations that are submitted to fulfill the CNCS evaluation requirements will be reviewed only for compliance with evaluation requirements. Outcome evaluations submitted by applicants who were not required to meet CNCS evaluation requirements will not be considered when assessing evidence tier.

An outcome study includes data beyond that which is collected as part of routine performance measurement. In addition to describing up to two outcome studies of their own program or intervention, applicants must describe the performance measurement data they have collected and how the outcome study data goes beyond performance measurement.

Preliminary with Replication

- The applicant must describe and submit at least one randomized controlled trial study or quasi-experimental evaluation (e.g. propensity score matching) that found positive results for the same intervention that the applicant plans to replicate. The applicant must describe how the intervention studied and the applicant's proposed approach are the same and how the applicant will replicate the intervention with fidelity to the program model. The study must have been conducted by an entity external to the organization whose program was studied. An applicant may be eligible for more points if they also submit evidence from a process evaluation demonstrating that they have implemented the replication with fidelity. The process evaluation should be described but not submitted.
- Applicants who do not submit the required study or who do not describe fully how they are replicating the evidence-based program with fidelity will be considered for a lower tier.

For the purposes of this *Notice*, "replicate" means that the key elements of the applicant's intervention are implemented as the evidence-based program model describes (e.g., in terms of content or curriculum, delivery process, and target population), and the applicant's adaptations are relatively minor. For example, an applicant implementing an intervention using certified teachers to administer the curriculum would not be considered replicating that program with fidelity if it replaces teachers with AmeriCorps members who are not certified teachers, because the documented success of the intervention relied on the specialization of certified teachers.

Applicants proposing to replicate an evidence-based program with fidelity must describe how their program is the same as, or very similar to, the program they will replicate in the following areas:

- Characteristics of the beneficiary population
- Characteristics of the population delivering the intervention
- Dosage (frequency, duration) and design of the intervention
- Training for the AmeriCorps members and/or other individuals, such as volunteers, delivering the intervention
- The context in which the intervention is delivered
- Outcomes of the intervention

Applicants must also describe how they will assess whether they are implementing the intervention with fidelity to the intervention they are replicating.

In cases where the applicant is part of a multi-site program (for example, a national program operating in multiple states) that has conducted an evaluation that qualifies them for the moderate or strong evidence tier, but the evaluation did not include the applicant's proposed sites, the applicant must describe how they are replicating the evidence-based program with fidelity at all of the sites included in the application. In this case, an application for sites included in the evaluation would receive moderate or strong evidence, and an application for the sites not included in the evaluation would receive preliminary evidence.

Moderate evidence (7-9 points) means the applicant has submitted up to two well-designed and well-implemented studies of their own program that evaluated the same intervention described in this application and identified evidence of effectiveness on one or more key desired outcomes of interest as depicted in the applicant's logic model. Evidence of effectiveness (or positive findings) is determined using experimental design evaluations (i.e., Randomized Controlled Trials (RCT)) or quasi-experimental design evaluations (QED) with statistically matched comparison (i.e., counterfactual) and treatment groups. The ability to generalize the findings from the RCT or QED beyond the study context may be limited (e.g., single-site). The studies were conducted by an independent entity external to the organization implementing the intervention.

Applicants classifying their evidence as **Moderate** must submit up to two evaluation reports from external entities or evaluations published in peer-reviewed articles as separate attachments.

CNCS grantees re-competing for their third competitive grant cycle are required to submit an evaluation report of their CNCS funded program. The CNCS-required evaluation report may count towards one of the two studies required for the Moderate evidence tier or may be submitted in addition to this. In the latter case, all three studies will be considered against the review criteria.

If the applicant is not required to submit an evaluation report of their CNCS funded program, then more than two studies will not be considered.

Strong evidence (10-12 points) means the applicant has demonstrated that the intervention described in the application has been tested nationally, regionally, or at the state-level (e.g., multi-site) using a well-designed and well-implemented QED or RCT of their own program. Alternatively, the proposed intervention's evidence may be based on multiple (up to two) well-designed and well-implemented QEDs or RCTs of their own program in different locations or with different populations within a local geographic area. The overall pattern of study findings is consistently positive on the key desired outcomes of interest as depicted in the applicant's logic model. Findings from the RCT or QED studies may be generalized beyond the study context. The studies were conducted by an independent entity external to the organization implementing the intervention.

Applicants classifying their evidence as **Strong** must submit up to two evaluation reports from external entities or evaluations published in peer-reviewed articles as separate attachments.

5. Notice Priority (3 points)

- The applicant proposed program fits within one or more of the 2017 AmeriCorps funding priorities as outlined in the *Funding Priorities* section and more fully described in the Mandatory Supplemental Guidance.
- The proposed program meets all of the requirements detailed in the *Funding Priorities* section and in the Mandatory Supplemental Guidance.

6. Member Training (4 points)

- AmeriCorps members will receive high quality training to provide effective service.
- AmeriCorps members and volunteers will be aware of, and will adhere to AmeriCorps requirements including the rules regarding prohibited activities (see Mandatory Supplemental Guidance).

7. Member Supervision (2 points)

- AmeriCorps members will receive sufficient guidance and support from their supervisor to provide effective service.
- AmeriCorps supervisors will be adequately trained/prepared to follow AmeriCorps and program regulations, priorities, and expectations.

8. Member Experience (3 points)

- AmeriCorps members will gain skills and experience as a result of their training and service that can be utilized and will be valued by future employers after their service term is completed.

- AmeriCorps members will have access to meaningful service experiences.
- AmeriCorps members will have access to opportunities for reflection and connection to the broader National Service network.
- The program will recruit AmeriCorps members from the geographic or demographic communities in which the programs operate.

9. Commitment to AmeriCorps Identification (2 points)

- Members will know they are AmeriCorps members.
- Staff and community members where the members are serving will know they are AmeriCorps members.

C. Organizational Capability (25 percent)

Reviewers will consider the quality of the application’s response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Organizational Background and Staffing (10 points)

- The organization has the experience, staffing, and management structure to plan and implement the proposed program.
- ServeNebraska requires programs to have a dedicated program leader identified, appropriate to the size of the program responsible to operate the AmeriCorps program and manage members. This should be addressed in the application narrative and application budget.

As documentation of community support and commitment to the program please procure, keep on file, and submit to ServeNebraska. Letter(s) from the applicant’s most significant community partner(s). The letter(s) should include what the partner(s) see as the benefit to the community provided by the applicant’s AmeriCorps members and what activities would not happen without the AmeriCorps members. Limit of three letters.

2. Compliance and Accountability (15 points)

- The organization will comply with AmeriCorps rules and regulations including those related to prohibited and unallowable activities at the grantee, subgrantee (if applicable), and service site locations.
- The applicant’s organization, in implementation and management of its AmeriCorps program, will prevent and detect compliance issues.
- The applicant will hold subgrantees (if applicable) and service site locations accountable if instances of risk or noncompliance are identified.

D. Cost Effectiveness and Budget Adequacy (25 percent)

Reviewers will consider the quality of the application’s response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Cost Effectiveness (18 points)

- The budget is sufficient to carry out the program effectively.*
- The budget aligns with the applicant’s narrative.*
- The applicant has raised or describes an adequate plan to raise non-CNCS resources to fully support the program.

*Program costs not included in the formal budget, including for Fixed Price grantees, must be described in this section in sufficient detail to allow reviewers to assess their sufficiency and alignment. Failure to provide adequate information in this section may result in a lower score.

Having a low cost per Member Service Year (MSY) is a competitive advantage. New applicants that submit with a low cost per MSY and re-competing applicants that submit with a lower cost per MSY than previously funded may receive higher priority for funding. Applicants requesting a higher cost per MSY than funded in previous years

must justify their requests. If an applicant requests above the maximum cost per MSY (see *Maximum Cost per MSY* Section), it must justify its request. Please note that such requests are rarely approved.

2. Budget Adequacy (7 points)

- Budget is submitted without mathematical errors and proposed costs are allowable, reasonable, and allocable to the award.
- Budget is submitted with adequate information to assess how each line item is calculated.
- Budget is in compliance with the budget instructions.
- Match is submitted with adequate information to support the amount written in the budget.

Applicants must complete the budget and ensure the following information is in the budget narrative (requested information in the budget screens):

- Identify the non-CNCS funding and resources necessary to support the project, including for Fixed Price applicants.
- Indicate the amount of non-CNCS resource commitments, type of commitments (in-kind and/or cash) and the sources of these commitments.

E. Evaluation Plan (Required for re-competing grantees - 0 percent)

Evaluation plans must include as much information as possible for each of the following (see Frequently Asked Questions: Evaluation, available at <http://www.nationalservice.gov/resources/evaluation/cncs-evaluation-policies>):

- A short description of the theory of change - why the proposed intervention is expected to produce the proposed results
- Outcome of interest - clear and measurable outcomes that are aligned with the theory of change and will be assessed during the evaluation
- Research questions to be addressed by the study - concrete research questions (or hypotheses) that are clearly connected to the outcomes
- Study components – a) a proposed research design for the evaluation including a rationale for the design selected, an assessment of its strengths and limitations, and a description of the main components; b) description of the sampling methods, measurement tools, and data collection procedures, and c) an analysis plan
- Qualifications needed for the evaluator
- The estimated budget.

For more information about evaluation plans visit the CNCS Knowledge Network's Evaluation Resources: <http://www.nationalservice.gov/resources/evaluation/planning-evaluation>.

The evaluation requirements differ depending on the amount of the grant, as described in 45 C.F.R. §2522.710: Evaluations of a program cannot be conducted by the Program Leader Operating the program.

F. Amendment Justification (0 percent)

Enter N/A. This field will be used if the applicant is awarded a grant and needs to amend it.

G. Clarification Information (0 percent)

Enter N/A. This field will be used to enter information that requires clarification in the post-review period.

H. Continuation Changes (0 percent)

Enter N/A. This field will be used to enter changes in the application narratives in continuation requests.

1. Review and Selection Process

a. Compliance and Eligibility Review

ServeNebraska staff will review all applications submitted to determine compliance with eligibility, the submission deadline, and completeness. Applications determined non-compliant will not be considered for funding. An application is compliant if the applicant:

- Is an eligible organization
- Attends one ServeNebraska informational session
- Submit a notice of Intent to apply by deadline of February 15, 2017
- Participates in creating budget and budget narrative webinar on February 17, 2017
- Submit an application that is complete, in that it contains all required elements and follows the instructions provided in this *Notice* and all additional requirements by deadline of March 15, 2017
- Submit an application with a minimum of three MSY's

ServeNebraska will screen applications in accordance with the requirements in this *Notice* to determine if the applicant has met all eligibility and submission requirements. The screening may occur at various stages of the grant-making process. Applicants determined to be ineligible will not receive an award.

b. Risk Assessment Evaluation

ServeNebraska staff will evaluate the risks to the program posed by each applicant, including conducting due diligence to ensure an applicant's ability to manage federal funds and the applicant's past performance (if applicable.) This evaluation is in addition to the evaluation of the applicant's eligibility for funding and the quality of its application on the basis of the Selection Criteria. Results from this evaluation will inform funding decisions. If ServeNebraska determines that an award will be made, special conditions that correspond to the degree of risk assessed may be applied to the award. In evaluating risks, ServeNebraska may consider the following, but not limited to:

- Financial stability
- Quality of financial management systems and ability to meet the administrative standards prescribed in applicable OMB Guidance
- History of performance as reflected in the applicant's record in managing previous CNCS awards, cooperative agreements, or procurement awards, including:
 - Timeliness of compliance with applicable reporting requirements,
 - If applicable, meeting matching requirements, and
 - If applicable, the extent to which any previously awarded amounts will be expended prior to future awards
- Information available through any OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as—
 - Federal Awardee Performance and Integrity Information System (FAPIIS),
 - Dun and Bradstreet, or
 - "Do Not Pay"
- Reports and findings from single audits performed under OMB Circular A-133 and findings of any other available audits
- IRS Tax Form 990
- An applicant organization's annual report
- Publicly available information including information from an applicant organization's website
- Any other information listed in 45 C.F.R. § 2522.140
- The applicant's ability to effectively implement statutory, regulatory, or other requirements.
- Past Performance

ServeNebraska staff will assess their re-competing subgrantees' past performance. This assessment is in addition to the evaluation of the applicant's eligibility for funding or the quality of its application on the basis of the Selection

Criteria. Results from this assessment will inform funding decisions. In evaluating programmatic performance, ServeNebraska will consider the following for applicants that are current formula grantees and are submitting applications for the same program model:

- Grant progress reports – attainment of Performance Measures
- Enrollment and retention
- Compliance with 30 day enrollment and exit requirements in the AmeriCorps portal
- Site visit or other monitoring findings (if applicable)
- Significant opportunities and/or risks of the grantee related to national service
- Commission Rank

Additionally, ServeNebraska may use the results of the review of the risk assessment evaluation in determining which applications to fund. If ServeNebraska concludes that the reasons for applicants having poor risk assessment evaluations are not likely to be mitigated, those applications may not be selected for funding.

c. Clarification Process

Some applicants may receive requests to provide clarifying information and/or make changes to their application including changes to the budget. This information is used by ServeNebraska staff in making final recommendations. Applications may be recommended for funding even if they are not asked clarification questions. A request for clarification does not guarantee a grant award. Failure to respond to requests for additional information in response to clarification questions in a timely fashion may result in the removal of applications from consideration.

Selection for Funding

The assessment of applications involves a wide range of factors and considerations. ServeNebraska staff will apply their experience and expertise in evaluating and recommending applications. ServeNebraska will engage external reviewers to provide insight and input with respect to the evidence base of eligible applications. ServeNebraska Commission will make final decisions. In the end, the review and selection process will produce a diversified set of high-quality programs that reflect the priorities and strategic consideration described in this *Notice*.

Specifically, the review and selection process will:

A. Identify how well eligible applications are aligned with application review criteria and/or represent relative risk and/or opportunity.

B. Yield a diversified portfolio based on the following strategic considerations:

- Meaningful representation of
 - Geographic diversity
 - Rural communities (see definition in Mandatory Supplemental Guidance)
 - Small and medium programs
 - Single and multi-state programs
 - Faith- based organizations
- CNCS *Notice* Priorities representation
- Focus area representation
- Organizations and/or program models that recruit and engage traditionally underrepresented populations as AmeriCorps members (e.g.; people with disabilities, low-income individuals, older Americans, etc) and expand opportunities to serve as AmeriCorps members
- High ratio of match and/or other revenue to CNCS investment
- Moderate and Strong evidence levels
- Promise Zone designees

In selecting applicants to receive awards under this *Notice*, ServeNebraska will endeavor to include a diverse portfolio of applications based on staff evaluations, recommendations, priorities, and strategic considerations.

ServeNebraska reserves the right to adjust or make changes to the review process, in the event that unforeseen challenges or exigent circumstances make it impossible, impractical or inefficient to execute the review process as planned. Any such adjustments or changes will not affect the selection criteria that will be used to assess applications submitted to ServeNebraska in response to this Notice.

3. Consideration of Integrity and Performance System Information

Prior to making any award under this Notice that exceeds \$150,000, ServeNebraska is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (see 41 U.S.C. 2313);

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through SAM and comment on any information about itself that a Federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through SAM;

ServeNebraska will consider any comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing its review of risk posed by the applicant under the Risk Assessment Evaluation section of this *Notice*.

4. Feedback to Applicants

Following grant awards, each applicant will receive summary comments pertaining to their application. Feedback will be based on the review of the original application and will not reflect any information that may have been provided in response to clarification questions, if any. All compliant applications will receive feedback from the external review of the evidence base portion of their application.

5. Transparency in Grant-making

ServeNebraska is committed to transparency in grant-making. The following information for new and re-competing applications will be published on www.servenebraska.gov after all grants are awarded:

- A list of all compliant applications submitted
- Executive Summaries of all compliant applications submitted by the applicants
- Data extracted from the SF-424 Face Sheet and the submitted program narratives for successful applications
- A blank template of the external review worksheet
- A list of all external reviewers that completed the review process
- A summary of external reviewer comments for successful applications.

6. Anticipated Announcement of Federal Award

ServeNebraska will award grants following the grant selection announcement. We anticipate announcing the results of this completion **no later than early May 2017**.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

1. Federal Award Notices

Applicants will be notified of funding decisions via email. This notification is not an authorization to begin grant activities. The Subgrant Award Agreement signed by the Executive Director of ServeNebraska is the authorizing document for grant activities.

2. Administrative and National Policy Requirements

a. Uniform Guidance

The Notice of Grant Award incorporates the approved application as part of the binding commitments under the grant award, as well as the requirements of applicable sections of the National and Community Service Act of 1990

and other applicable statutes. Awards will also be subject to the specific terms and conditions established for AmeriCorps grants and/or defined in the Terms and Conditions or Special Conditions attached to the award.

b. Requests for Improper Payment Information

ServeNebraska will request documentation from recipients in order to monitor the award or to comply with other legal requirements, such as the Improper Payments Information Act of 2002, as amended. Failure to make timely responses to these requests may result in award funds being placed on temporary manual hold, reimbursement only, or other remedies as appropriate. In addition, ServeNebraska may, in appropriate circumstances, consider in its funding decisions any previous failures to make timely responses.

c. CNCS Terms and Conditions

Grants under this program are subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), now consolidated in 2 C.F.R. Parts 200 and 2205. This final guidance supersedes and streamlines requirements from OMB Circulars A-21, A-87, and A-122 (the former Cost Principles), A-110 and A-102 (the former Administrative Requirements), A-133 and A-50 (the former Audits and Audit Follow up), and A-89 (the former Federal Domestic Assistance Program Information).

3. National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. The law requires recipients to conduct and document NSCHCs on any person (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend, or education award through a program receiving CNCS funds. An individual is ineligible to serve in a position that receives such CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award.

All grant recipients are required to adhere to ServeNebraska Criminal History Policy. Award-funded staff, national service participants, and volunteers *with recurring access to vulnerable populations* (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

1. A nationwide name-based check of the [NSOPW](#); and
2. Both
 - a. A name- or fingerprint-based search of the statewide criminal history registry in the person's state of residence and in the state where the person will serve/work; *and*
 - b. A fingerprint-based FBI criminal history check.

See 45 C.F.R. § 2540.200–§ 2540.207 and [CNCS Criminal History Check Resources](#) for complete information and FAQs.

4. Use of Material

To ensure that materials generated with CNCS funding are available to the public and readily accessible to grantees and non-grantees, CNCS reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (2 C.F.R. §200.315 (b)).

5. Reporting

Cost reimbursement grantees are required to provide mid-year and end of year progress reports, semi-annual financial reports, and an internal or external evaluation report as required by the AmeriCorps regulations 45 CFR §§2522.500-2522.540 and §§2522.700-2522.740.

Fixed Amount grantees are required to provide mid-year and end of year progress reports and an internal or external evaluation report. All grantees, including Fixed Amount grantees, submit quarterly financial reports to the U.S. Department of Health and Human Services Payment Management System.

Once the grant is awarded, recipients will be expected to have data collection and data management policies and practices that provide reasonable assurance that they are providing ServeNebraska with high quality programmatic and financial data. At a minimum, grantees should have policies and practices which address the following five aspects of data quality:

- The data measures what it intends to measure;
- The grantee collects data in a consistent manner;
- The grantee takes steps to correct data errors;
- The grantee ensures that the data reported is complete; and
- The grantee actively reviews data prior to submission.

Progress Report Data

ServeNebraska requires all applicants to submit progress reports quarterly regarding the grant's approved performance measure outputs and outcomes, additional demographic and narrative data must be reported annually (as applicable), including the number of applicants for AmeriCorps positions and the number of volunteers recruited and/or supported by AmeriCorps members (both episodic and ongoing volunteers.)

Failure to submit accurate, complete, and timely required reports may affect the recipient's ability to secure future ServeNebraska funding.

For further guidance and training resources see – [Resources: Data Collection and Instruments](#).

5. Continuation Funding Information and Requirements

Organizations that have current AmeriCorps awards that do not end in FY17 must submit an application in order to be eligible to receive funding for the following year. Please see the Application Instructions. Requests by existing continuation applicants for increases in the level of funding or number of positions will be assessed using the criteria under this *Notice*.

G. FEDERAL AWARDING AGENCY CONTACT(S)

This *Notice* is available at <http://www.serve.nebraska.gov/>. For further information or for a printed copy of this *Notice*, call (402) 471-6249. For questions regarding multi-state or Indian Tribes applications submitted directly to CNCS, please call (202) 606-7508 or send an e-mail to americorpsgrants@cns.gov. Questions about single state applications should be addressed to ServeNebraska.

H. OTHER INFORMATION

1. Technical Assistance

In addition to consulting the Application Instructions, Mandatory Supplemental Guidance, Performance Measure Instructions, and AmeriCorps regulations as directed in this *Notice*, ServeNebraska and National Direct applicants are encouraged also to consult with ServeNebraska.

2. Re-Focusing of Funding

ServeNebraska reserves the right to re-focus funding in the event of disaster or other compelling need for service.
