

IS NOT CURRENTLY ACCEPTING APPLICATIONS FOR AMERICORPS SUPPORT FOR PROGRAMS OPERATING EXCLUSIVELY WITHIN NEBRASKA

For your reference, we are continuing to provide access to the application forms – and questions from potential applicants – related to the Request for Applications for 2009-2010 Nebraska AmeriCorps*State funds. Applications for 2009-2010 Nebraska AmeriCorps*State funding for programs operating exclusively with Nebraska were due November 16, 2009.

If you are interested in considering applying for future AmeriCorps support, we encourage you to take the self-assessment included under "Is AmeriCorps a Good Fit for Your Organization" below.

Is AmeriCorps a Good Fit for Your Organization?

The Commission encourages all community-based non-profit organizations and public entities throughout the state addressing human services, educational, environmental, public safety, and homeland security/disaster preparedness needs to consider applying for 2010-2011 AmeriCorps support. Learn more about AmeriCorps by exploring americorps.org

To assist you in considering whether to pursue this opportunity, we have created a simple straightforward organizational assessment guide.

Is My Organization Ready for AmeriCorps: A READINESS ASSESSMENT

Devoting a few minutes to thoughtfully completing this assessment will help you evaluate your readiness to apply for and implement AmeriCorps programming.
