AmeriCorps Program Description

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism. AmeriCorps members serve with organizations dedicated to the improvement of communities and those serving.

AmeriCorps grants are awarded to eligible organizations that engage AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. AmeriCorps member is a person who does community service through AmeriCorps. Members may receive a living allowance and other benefits. After successful completion of their service, members earn a Segal AmeriCorps Education Award they can use to pay for higher education expenses or apply to qualified student loans.

ServeNebraska: Who We Are

ServeNebraska mobilizes Nebraskans to strengthen their communities through volunteering, collaboration, and national service programs. ServeNebraska is committed to uniting individuals in service to their communities and achieving demonstrable results by funding AmeriCorps programs that address Nebraska's unmet educational, economic, environmental, health, veterans, and disaster response needs. ServeNebraska receives federal funds from the AmeriCorps Agency to invest in AmeriCorps programs. As the designated state service commission for Nebraska, we award funding to organizations to manage AmeriCorps programs to place AmeriCorps members in addressing a wide variety of issues. ServeNebraska provides training and technical assistance to support organizations in running impactful and compliant AmeriCorps programs.

AmeriCorps Planning Grant

An AmeriCorps Planning Grant provides successful applicants with resources needed to develop program components and to build operational capacity critical to managing an AmeriCorps grant. Grant recipients also receive training and technical assistance from ServeNebraska to strengthen their AmeriCorps program design and to create implementation plans and systems for managing a complaint AmeriCorps program. Recipients who successfully complete their planning grant deliverables will be better prepared to apply for an operational grant as well as operate an AmeriCorps program, if funded. A planning grant may not be used to support AmeriCorps members. Applicants must apply for a Cost Reimbursement grant. The project period is no more than a year, with a start date proposed by the applicant. The project start date may not occur prior to the date AmeriCorps awards the grant.

National Service Focus Areas

The National and Community Service Act of 1990, as amended by the Serve America Act, emphasizes measuring the impact of service and focusing on a core set of issue areas. In order to carry out Congress' intent and to maximize the impact of investment in national service, AmeriCorps has the following focus areas:

Environmental Stewardship

Grants will support responsible stewardship of the environment, while preparing communities for challenging circumstances and helping Americans respond to and recover from disruptive life events: programs that conserve natural habitats; protect clean air and water; maintain public lands; support wildland fire mitigation; cultivate individual and community self-sufficiency; and provide reforestation services after floods or fires.

Detailed Budget Instructions

These instructions apply to all applicants. Please note that it may be requested that you include description/calculation breakdowns for costs that are covered by funds outside of the grant.

Section I. Program Operating Costs

A. Personnel Expenses

Under "Position/Title Description," list each staff position separately and, salary, and percentage of effort devoted to this award. Each staff person's role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget as either CNCS or Grantee Share. For Column 2, under "% of FTE Time Spent on Program", please include the percentage of time for a full-time equivalent (FTE) employee. For example, if a part-time staff member who works 20 hours a week spends 100% of their time working on the AmeriCorps program, Column 2 should reflect 50%. This section should contain costs associated only with those staff performing direct program services. Those providing general administrative or management functions should be budgeted under Section III.

All time spent on the grant must be tracked using functional timesheets that allow for time allocation. No time can be charged to the grant unless National Service Criminal History Checks have been completed. Verification of timesheets and background check status must occur before any expenses can be incurred.

B. Personnel Fringe Benefits

Under "Purpose/Description," identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker's Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list separately. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item. Uncommon or exceptionally high-cost benefits should be itemized and justified.

C. 1. Staff Travel

Describe the purpose for which program staff member will travel. Provide a calculation to include itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage daily per diem, and similar supporting information. Reimbursement should not exceed the federal mileage rate unless a result of applicant policy and justified in the budget narrative. Only domestic travel is allowable.

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Truescreen Criminal history background checks for all employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share). If your program covers the cost for background checks outside of grant funds, these items should still be included in "Other" with zero costs and explain how your program will be covering the cost in the budget narrative.
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Utilities, telephone, Internet and similar expenses that are specifically used for AmeriCorps members and AmeriCorps project staff and are not part of the organization's indirect cost/admin cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.

Section II. Member Costs

All Member Costs are N/A.

Section III. Administrative/Indirect Costs

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives AmeriCorps funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Circulars A-21 (2CFR 220), A-87 (2 CFR 225), and A-122 (2 CFR 230).

Options for Calculating Administrative/Indirect Costs (choose either A, B, or C)

Applicants can choose to use one of two methods to calculate allowable administrative costs – a CNCS fixed percentage method or a federally approved indirect cost rate method. Regardless of the option chosen, CNCS's share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant.

CNCS Fixed Percentage Method

Five Percent Fixed Administrative Costs Option

CNCS fixed rate allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose CNCS Fixed Percentage Method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine CNCS share for Section III: Multiply the sum of CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as CNCS share. The 5% maximum is calculated by multiplying the sum of CNCS's share of Section I and Section II by the factor 0.0526. The factor 0.0526 is used to calculate the maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. (If 0.0500 was used, the resulting Section III costs would be less than the maximum 5% of total costs that are permitted under CNCS's regulations.)
2. To determine the maximum Grantee share for Section III: Multiply the total (both CNCS and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.
3. Enter the sum of CNCS and grantee shares under Total Amount.

Federally Approved Indirect Cost Rate Method

If you have a Federally Approved Indirect Cost (IDC) rate and choose to use it, the IDC rate will constitute documentation of your administrative costs including the 5% maximum payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries, and fringe benefits, etc.). It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both CNCS and Grantee's shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.

2. To determine CNCS share: Multiply the sum of CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as CNCS share of indirect costs.
3. To determine the maximum Grantee share: Subtract the amount calculated in step 2 (CNCS administrative share) from the amount calculated in step 1 (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

De Minimis Rate of 10% of Modified Total Direct Costs

Organizations who have **never**, at any point in time, held a federally negotiated indirect cost rate (except for those non-Federal entities described in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals, paragraph (d)(1)(B)) and who receive less than \$35 million in direct federal funding, may indefinitely use a minimum rate of 10% of modified total direct costs (MTDC). Additional information regarding what is included in MTDC and use of this option can be found at 2 CFR 200.414(f) and 200.68. If this option is elected, it must be used consistently across all federal awards.

Source of Match

In the "Source and Types of Match Contributions" table that appears at the bottom of the *Budget Narrative*, enter the specific source of match (i.e. The Star Foundation, Franklin Unified School District, etc.), the match type [State/Local, Federal, or Private], the amount of cash and the dollar amount of in-kind, and a brief description of the intended purpose of the match (e.g. personnel expenses, travel, etc.). Define any acronyms the first time they are used. In the brief description, indicate whether the match is "proposed" or "secured."

Complete the Financial Management Survey and submit with package (found as attachment www.serve.nebraska.gov)

Award Administration Information

Governing Documents

A grantee's fully executed award incorporates the approved application as part of a binding commitment under the grant as well as the AmeriCorps regulations (45 CFR §§ 2520–2550), AmeriCorps General and Specific Terms and Conditions, and ServeNebraska Policies and Requirements.

A. AmeriCorps Terms and Conditions

All awards made under this *Notice* will be subject to the 2026 AmeriCorps General Terms and Conditions, and the 2026 AmeriCorps Program Specific Terms and Conditions. These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the AmeriCorps General and Specific Terms and Conditions for each of its programs is available at <https://www.nationalservice.gov/resources/terms-and-conditions-cnccs-grants>.

B. Uniform Guidance

All awards under this Notice are subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), now consolidated in 2 CFR Parts 200 and 2205.

C. Reporting Requirements

Programs are required to submit a variety of reports which are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time. ServeNebraska will provide due dates for all reports required.

D. National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. The law requires recipients to conduct and document NSCHCs on any person (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend, or education award through a program receiving AmeriCorps funds. This includes staff that receive part of their salary through a subgrant. An individual is ineligible to serve in a position that receives such AmeriCorps funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award. Grantees should utilize the vendor AmeriCorps has engaged to conduct the required NSCHCs. Failure to conduct an NSCHC may result in significant disallowed costs.

See Use [45 CFR 2540.200– 2540.207](#) and [National Service Criminal History Check Resources](#) for complete information and FAQs.

E. Request for Improper Payment information

AmeriCorps may, from time to time, request documentation from recipients in order to monitor the award or to comply with other legal requirements, such as the Improper Payments Information Act of 2002, as amended. Failure to make timely responses to these requests may result in award funds being placed on temporary manual hold, reimbursement only, or other remedies as appropriate. In addition, AmeriCorps may, in appropriate circumstances, consider in its funding decisions any previous failures to make timely responses.

F. Use of Material

To ensure that materials generated with AmeriCorps funding are available to the public and readily accessible to grantees and non-grantees, AmeriCorps reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (2 CFR §200.315 (b)).

G. Reallocation of Funding

AmeriCorps reserves the right to reallocate funding in the event of disaster or other compelling need for service.
