Applications due February 28, 2022

Important Notice to Applicants: The following documents are necessary to complete a 2022-2023 formula grant application for AmeriCorps funding. All can be found on the ServeNebraska website: <http://www.serve.nebraska.gov>

IMPORTANT NOTICE

These application instructions conform to the Corporation for National and Community Service's online grant application system, [eGrants](#). All funding announcements by the Corporation for National and Community Service (AmeriCorps) are posted on www.nationalservice.gov and www.grants.gov.

Public Burden Statement: Public reporting burden for this collection of information is estimated to average 80 hours per submission, including reviewing instructions, gathering and maintaining the data needed, and completing the form. Comments on the burden or content of this instrument may be sent to the Corporation for National and Community Service, Attn: Armina Pappas, 250 E Street, SW, Suite 300, Washington, DC 20525. AmeriCorps informs people who may respond to this collection of information that they are not required to respond to the collection of information unless the OMB control number and expiration date displayed on page one are current and valid. (See 5 CFR 1320.5(b)(2)(i).)

Privacy Act Notice: The Privacy Act of 1974 (5 U.S.C § 552a) requires that the following notice be provided to you: The information requested on the AmeriCorps Application Instructions is collected pursuant to 42 U.S.C. §§ 12581 - 12585 of the National and Community Service Act of 1990 as amended, and 42 U.S.C. § 4953 of the Domestic Volunteer Service Act of 1973 as amended. Purposes and Uses - The information requested is collected for the purposes of reviewing grant applications and granting funding requests. Routine Uses - Routine uses may include disclosure of the information to federal, state, or local agencies pursuant to lawfully authorized requests. In some programs, the information may also be provided to federal, state, and local law enforcement agencies to determine the existence of any prior criminal convictions. The information may also be provided to appropriate federal agencies and Department contractors that have a need to know the information for the purpose of assisting the Department's efforts to respond to a suspected or confirmed breach of the security or confidentiality or information maintained in this system of records, and the information disclosed is relevant and unnecessary for the assistance. Executive Summaries of all compliant applications received and applications of successful applicants will be published on the AmeriCorps website as part of ongoing efforts to increase transparency in grantmaking. This is described in more detail in the *Notice of Federal Funding Opportunity*. The information will not otherwise be disclosed to entities outside of AmeriCorps without prior written permission. Effects of Nondisclosure - The information requested is mandatory in order to receive benefits.

Federal Funding Accountability and Transparency Act: Grant recipients will be required to report at www.FSRS.gov on all subawards over \$25,000 and may be required to report on executive compensation for recipients and subrecipients. Recipients must have the necessary systems in place to collect and report this information. See 2 CFR Part 170 for more information and to determine how these requirements apply.

Indirect Cost Rates: AmeriCorps allows applicants to include indirect costs in application budgets. Based on qualifying factors, applicants have the option of using a federally approved indirect cost rate, a 10% *de minimis* rate of modified total direct costs, or may claim certain costs directly as outlined in 2 CFR § 200.413 Direct costs. Applicants who hold a federal negotiated indirect cost rate must use that rate in lieu of the AmeriCorps 5/10% allocation of administrative costs.

Applicants who hold a state or federal negotiated indirect cost rate or will be using the 10% *de minimis* rate must enter that information in the Organization section in eGrants (**See Attachment J**).

Universal Identifier: Applicants must include a Dun and Bradstreet Data Universal Numbering System (DUNS) number and/or a Unique Entity Identifier (UEI) depending on which field(s) are required in eGrants at the time of submission. Applicants must obtain their UEI and register their entity through the System for Award Management (SAM.gov). All grant recipients are required to maintain a valid registration, which must be renewed annually.

III. Narratives

The narrative section of the application is your opportunity to convince reviewers that your project meets the selection criteria as outlined in the *Notice*. Below are some general recommendations to help you present your project in a way the reviewers will find compelling and persuasive.

- **Lead from your program strengths and be explicit.** Do not make the mistake of trying to stretch your proposed program description to fit funding priorities and special considerations articulated in the regulations or the *Notice*.
- **Be clear and succinct.** Do not use jargon, boilerplate, rhetoric, or exaggeration. Describe clearly what you intend to do and how your project responds to the selection criteria.
- **Avoid circular reasoning.** The problem you describe should not be defined as the lack of the solution you are proposing.
- **Explain how.** Avoid simply stating that the criteria will be met. Explicitly describe how the proposed project will meet the criteria.
- **Don't make assumptions.** Even if you have received funding from AmeriCorps in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- **Use an impartial proofreader.** Before you submit your application, let someone who is completely unfamiliar with your project read and critique the project narrative.
- **Follow the instructions and discuss each criterion in the order they are presented in the instructions.** Use headings to differentiate narrative sections by criterion.

A. Executive Summary

Please complete the executive summary per the guidance in the *Notice*.

B. Selection Criteria

Each application must clearly describe a project that will effectively deploy AmeriCorps members to solve a significant community problem. Specifics about the selection criteria are published in the *Notice*.

1. Program Design (50 percent)

In assessing Rationale and Approach/Program Design, reviewers will examine the degree to which the applicant demonstrates how AmeriCorps members and the proposed intervention are particularly well-suited to addressing the identified community problem.

2. Organizational Capability (25 percent)

Reviewers will assess the extent to which the applicant demonstrates organizational background and staffing and structures, including compliance and accountability, to support the proposed program.

3. Cost Effectiveness and Budget Adequacy (25 percent)

In assessing Cost Effectiveness and Budget Adequacy, reviewers will examine the degree to which the budget is cost effective and appropriate for the program being proposed. Enter N/A in the narrative as the assessment will be of the budget.

C. Evaluation Summary or Plan

Enter N/A. If you have previously received three or more years of competitive funding for the same project proposed in your application (see the Mandatory Supplemental Information for the AmeriCorps definition of “same project”), you must submit an evaluation plan as an attachment. Please use the evaluation plan template available on the Notice webpage.

D. Amendment Justification

Enter N/A. This field will be used if you are awarded a grant and need to amend it.

E. Clarification Information

Enter N/A. This field may be used to enter information that requires clarification in the post-review period. Please clearly label new information added during clarification with the date.

 - a) Proposes to serve as the placement site for AmeriCorps members; and
 - b) Has employees engaged in the same or substantially similar work as that proposed to be carried out by AmeriCorps members; and
 - c) Those employees are represented by a local labor organization

--then the application must include the written concurrence of the local labor organization representing those employees. Written concurrence can be in the form of a letter or e-mail from the local union leadership.

- 2) If a program applicant:
 - a) Proposes to place AmeriCorps members at sites where they will be engaged in the same or substantially similar work as employees represented by a local labor organization, then the applicant must submit a written description of how it will ensure that:

Please submit the required documents to the email listed in the *Notice* using the naming convention and other instructions found there. This information must be received at ServeNebraska by the deadline in the *Notice*.

G. Continuation Requests

The following instructions for submitting a continuation request apply only to programs that are currently in their first or second year of operation within a grant cycle. If your program is currently in the final year of its grant cycle, you must apply using the application instructions for new and re-competing programs. In addition, if you are in year two or three of a cost reimbursement grant cycle, you need to submit a new application to participate as a fixed amount grant; you cannot continue your existing project period and switch from cost reimbursement to fixed amount. ServeNebraska reserves the right to consider your continuation request if your fixed amount application is not funded.

When to Submit Your Continuation Request:

See the *Notice* for application deadlines.

Be sure you also review the *Notice* when preparing your request. If you have questions about the content of your continuation request, please contact dhhs.americorps@nebraska.gov.

What to Include in Your Continuation Request:

I. Applicant Info and Application Info

Update the Applicant Info and Application Info Sections in a word document.

II. Narrative (Narratives Section)

Copy your current grant application into a word document and make any changes as necessary. Ensure you highlight any changes that you are making to your grant narrative.

ServeNebraska expects that programs will maintain a consistent program design for the duration of the three-year project period; however, we recognize that, on occasion, some programmatic changes are necessary. As a result, continuation applicants may request the changes listed below during the continuation process.

Information should be provided in the **Continuation Phase**:

- Changes in Operating Sites
- Significant Changes in Program Scope or Design
- Changes to Performance Measures
- Logic Model changes if necessary
- Significant Changes to Monitoring Structures or Staffing
- Budget revisions (detail provided in section VI).

Evaluation plans are approved by ServeNebraska when applicants re-compete for funding. If you wish to make changes to your evaluation plan, send a revised version of the evaluation plan (with the proposed changes in track-changes mode) as an attachment to dhhs.americorps@nebraska.gov.

The page limit for the Continuation phase narrative is limited to six pages.

III. Logic Model

Continuation applicants do not need to enter a new logic model.

IV. Performance Measures (Performance Measures Section)

Your performance measures are copied from your previous year's application into your continuation request. If you made changes to your program, such as adding or changing grant-funded activities, or requesting additional slots or MSYs, you may need to revise your performance measures. Continuation applicants whose measures do not align with the 2022 Performance Measure Instructions must also revise their measures to conform to the 2022 instructions.

V. Program Information

In the Program Information Section, review and make selections as appropriate. Applicants should only select priorities and characteristics that represent a significant part of the program.

AmeriCorps Funding Priorities

Check any priority area(s) that apply to the proposed program. Only select Priorities that represent a significant part of the program focus, high quality program design, and outcomes.

Grant Characteristics

Check any grant characteristics that are a significant part of the proposed program.

VI. Budget (Budget Section)

Your budget from the previous year's application is copied into your continuation request so you can make the necessary adjustments. Revise your detailed budget for the upcoming year. Incorporate any required CNCS increases, such as an increase to the member living allowance, into your budget. **Continuation applicants may apply for expansions – dollars, MSY, and/or members.**

Source of Funds (Match)

In the "Source of Funds" field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for

your **entire match**. (The total amount in the Source of Funds field should match the total amount in the budget narrative exactly.) Define all acronyms the first time they are used.

Multi-Year Funded Grantees

Multi-year funded grantees may request up to the dollar and MSY amounts they were granted for the continuation year for which they are applying. Multi-year funded grantees may not request funds or MSY in excess of the amounts they were awarded for each year (year two or year three) of their multi-year funded grants.

VII. Increasing Grantee Overall Share of Total Budgeted Costs

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

See Attachment G for instructions for applying for the Alternative Match Schedule.

In the Funding/Demographics Section enter:

- Other Revenue funds. Enter the amount of funds that your program uses to run the program that are not CNCS share or match.
- Number of Volunteers Generated by AmeriCorps members. Please enter the number of volunteers participating in one day service projects or ongoing volunteer commitments that the proposed AmeriCorps members will generate.

VIII. Budget Instructions

For Fixed Amount grants, including EAPs: Use the Budget Instructions for Fixed Amount applicants (Attachment) and the Budget Worksheet (Attachment) to prepare your budget.

A. Match Requirements

Program requirements, including requirements on match are located in the AmeriCorps Regulations and summarized below.

Table 2: Match Requirements in the AmeriCorps Regulations

Grant Type	Match Requirement
Cost Reimbursement including States and Territories without Commissions, Indian Tribes	Minimum grantee share is 24% of program costs for the first three years. Overall grantee share of total program costs increases gradually beginning in Year 4 to 50% by the tenth year of funding and any year thereafter.
EAP Fixed-Amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over the cost in the NOFO provided by AmeriCorps.
Professional Corps Fixed-Amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over the cost in the NOFO provided by AmeriCorps.
Stipended Fixed-Amount Grants	There are no specific match requirements for full-time fixed-amount grants. Grantees pay all program costs over the maximum cost in the NOFO provided by AmeriCorps.

- Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of

24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

- If you are applying for the first time, you must match with cash or in-kind contributions at least 24% of the project’s **total** Operating Costs (Section I) plus Member Costs (Section II) plus Administrative Costs (Section III). If you are recompeting, please see 45 CFR §§ 2521.40-2521.95 for the match schedule.
- The acceptable sources of matching funds are federal, state, local, and/or private sector funds in accordance with applicable AmeriCorps requirements.
- In the “Source of Funds” field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. (The total amount in the Source of Funds field should match the total amount in the budget narrative exactly.) Define all acronyms the first time they are used. See **Attachment G** for instructions for applying for the Alternative Match Schedule.

Note: AmeriCorps legislation permits the use of non-AmeriCorps federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees who use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to AmeriCorps. If you use other federal funds as match, you must ensure you can meet the requirements and purpose of both grants. Grantees who use federal funds as match will be required to report the sources and amounts on the Federal Financial Report (FFR).

B. Preparing Your Budget

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criterion.

Follow the detailed budget instructions in the Attachments to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheets in the Attachments.

Enter your budget on the budget template on ServeNebraska website.

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Itemize each cost and present the basis for all calculations in the form of an equation.
- Do not include unallowable expenses, e.g., entertainment costs (which include food and beverage costs) unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).
- **Please add the cost of the NSOPW, state check, and FBI Check for criminal history checks for each covered position in the CNCS share of the budget. If funds are not budgeted, an explanation for how the costs will be covered must be noted in the budget.**

Programs must comply with all applicable federal laws, regulations, and the requirements of the Uniform Guidance. Please refer to the Uniform Guidance, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200) for allowable, allocable, and reasonable cost information, as well as, audit requirements, including the need to provide audits to the Clearinghouse if expending over \$750,000 in federal funds as required in the OmniCircular. The OMB Uniform Guidance can be found on-line at https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl

ATTACHMENT B: Detailed Budget Instructions for Cost Reimbursement Grants

Fixed-Amount Grants refer to Attachment D

Section I. Program Operating Costs

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount,” “CNCS Share,” and “Grantee Share” for Parts A-I, for Year 1 of the grant, as follows:

A. Personnel Expenses

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort as percentage of FTE devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget as either CNCS or Grantee share. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training of staff and AmeriCorps members.

B. Personnel Fringe Benefits

staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list covered items separately and justify the high cost. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates, but are absorbed into the personnel expenses (salary) budget line item.

C. 1. Staff Travel

Describe the purpose for which program staff will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. Reimbursement should not exceed the federal mileage rate unless a result of applicant policy and justified in the budget narrative. Only domestic travel is allowable.

We expect all Programs to include funds in the line item for Program leader and Member Kick Off events.

C. 2. Member Travel

Describe the purpose for which members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other related expenses for members to travel outside their service location or between sites. Costs associated with local travel, such as bus passes to local sites, mileage reimbursement for use of car, etc., should be included in this budget category. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information.

We expect all Programs to include funds in the line item for Member Kick Off events.

D. Equipment

Equipment is defined as tangible, non-expendable personal property having a useful life of more than one year AND an acquisition cost of **\$5,000 or more per unit** (including accessories, attachments, and modifications). Any items that do not meet this definition should be entered in E. Supplies below. Purchases of equipment are limited to 10% of the total CNCS funds requested. If applicable, show the unit cost and number of units you are requesting. Provide a brief justification for the purchase of the equipment under Item/Purpose.

E. Supplies

AmeriCorps members must wear an AmeriCorps logo on a daily basis – preferably clothing with the AmeriCorps logo. The item with the AmeriCorps logo is a required budget expense. Please include the cost of the item with the AmeriCorps logo in your budget or explain how your program will be providing the item to AmeriCorps members without using grant funds. Grantees may add the AmeriCorps logo to their own local program uniform items using federal funds. Please note that your program will be using the AmeriCorps logo in the budget description.

Include the amount of funds to purchase consumable supplies and materials, including member service gear and equipment that does not fit the definition above. You must individually list any single item costing \$1,000 or more. Except for safety equipment, grantees may only charge the cost of member service gear to the federal share if it includes the AmeriCorps logo. All safety gear may be charged to the federal share, regardless of whether it includes the AmeriCorps logo. All other service gear must be purchased with non-CNCS funds.

F. Contractual and Consultant Services

Include costs for consultants related to the project's operations, except training or evaluation consultants, who will be listed in Sections G. and H., below. There is not a maximum daily rate.

G. 1. Staff Training

Include the costs associated with training staff on project requirements and training to enhance the skills staff need for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate. There is not a maximum daily rate.

G. 2. Member Training

Include the costs associated with member training to support them in carrying out their service activities. You may also use this section to request funds to support training in Life after AmeriCorps. If using a consultant(s) for training, indicate the estimated daily rate. There is not a maximum daily rate.

H. Evaluation

Include costs for project evaluation activities, including additional staff time or subcontracts, use of evaluation consultants, purchase of instrumentation, and other costs specifically for this activity not budgeted in Section A Personnel Expenses. This cost does not include the daily/weekly gathering of data to assess progress toward meeting performance measures, but is a larger assessment of the impact your project is having on the community, as well as an assessment of the overall systems and project design. Indicate daily rates of consultants, where applicable.

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for all members and for all employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share). Please include the cost of the NSOPW, state check and/or FBI check for criminal history checks for all covered positions. If funds are not budgeted, an explanation for how the costs will be covered must be noted in the budget.
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Utilities, telephone, internet, postage, copying, and similar expenses that are specifically used for AmeriCorps members and AmeriCorps project staff, and are not part of the organization's indirect cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Recognition costs for members. List each item and provide a justification in the budget narrative. Gifts and/or food in an entertainment/event setting are not allowable costs.
- Multi-state applicants: Indicate the number of subgrants and the average amount of subgrants. Indicate any match that you will require of your subgrants under the "grantee share" column in this category. Subgranted funds may only cover costs allowable under federal and AmeriCorps regulations and terms and conditions.
- **We expect all Programs to include funds in the line item for cost associated with OnCorps AmeriCorps management system that ServeNebraska utilizes. Calculation will be as followed # of AmeriCorps member slots applied for x \$1.50 x 12 months=total cost.**

Section II. Member Costs

Member Costs are identified as "Living Allowance" and "Member Support Costs." Your required match can be federal, state, local, or private sector funds.

A. Living Allowance

The narrative should clearly identify the number of members you are supporting by category (i.e., full-time, three-quarter-time, half-time, reduced-half-time, quarter-time, and minimum-time) and the amount of living allowance they will receive, allocating appropriate portions between the CNCS share (CNCS Share) and grantee share (match).

The minimum and maximum living allowance amounts are provided in the *Notice*.

In eGrants, enter the total number of members you are requesting in each category. Enter the average amount of the living allowance for each type of member. In addition, enter the number of members for whom you are not requesting funds for a living allowance, but for whom you are requesting education awards.

B. Member Support Costs

Consistent with the laws of the states where your members serve, you must provide members with the benefits described below.

- **FICA.** Unless exempted by the IRS, all projects must pay FICA for any member receiving a living allowance, even when CNCS does not supply the living allowance. If exempted, please note in the narrative. In the first column next to FICA, indicate the number of members who will receive FICA. Calculate the FICA at 7.65% of the total amount of the living allowance.
- **Worker's Compensation.** Some states require worker's compensation for AmeriCorps members. You must check with State Departments of Labor or State Commissions where members serve to determine if you are required to pay worker's compensation and if so at what level. If you are not required to pay worker's compensation, you must obtain Occupational, Accidental, Death and Dismemberment coverage for members to cover in-service injury or accidents.
- **Health Care.** You must offer or make available health care benefits to full-time members in accordance with AmeriCorps requirements. Except as stated below, you may not pay health care benefits to less-than-full-time members with CNCS funds. You may choose to provide health care benefits to less-than-full-time members from other sources (i.e., non-federal) but the cost cannot be included in the budget. Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (such as a full-time summer project) are eligible for health care benefits. If you budget health insurance for less-than-full-time members serving in a full-time capacity, indicate in the budget narrative. In your budget narrative, indicate the number of members who will receive health care benefits. CNCS will not pay for dependent coverage. If health care is not budgeted for all full-time members, please confirm all full-time members will have access to coverage.
- **Unemployment Insurance and Other Member Support Costs.** Include any other required member support costs here. Some states require unemployment coverage for their AmeriCorps members. You may not charge the cost of unemployment insurance taxes to the grant unless mandated by state law. Programs are responsible for determining the requirements of state law by consulting State Commissions, legal counsel, or the applicable state agencies.

Section III. Administrative/Indirect Costs

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives CNCS funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Uniform Guidance.

Options for Calculating Administrative/Indirect Costs (choose either A, B, OR C)

Applicants choose one of three methods to calculate allowable administrative costs – a CNCS-fixed percentage rate method, a federally approved indirect cost rate method, or a *de minimis* method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant. Do not create additional lines in this category.

A. CNCS-Fixed Percentage Method

Five/Ten Percent Fixed Administrative Costs Option

The CNCS-fixed percentage rate method allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the CNCS-fixed percentage rate method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of the CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the maximum CNCS share for Section III: Multiply the sum of the CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as Corporation share. The factor 0.0526 is used to calculate the 5% maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the CNCS share for Section III A.

2. To determine the Grantee share for Section III: Multiply the total (both CNCS and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.

3. Enter the sum of the CNCS and grantee shares under Total Amount.

If a commission elects to retain a share of the 5% of federal funds available to programs for administrative costs up to 2%, that decision is identified within each subgrant's budget. A state commission can take up to 2% in administrative funds, provided the commission has less than 25% in prior year unexpended funds on the Commission Support Grant. If the commission's unexpended exceeds 25%, the commission can take up to 1% in administrative funds. If the commission elects to retain 1% of the administrative costs, to calculate these fractional shares, within Section III of the subgrant budget, **one-fifth (20%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and four-fifths (80%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:**

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.20) = \text{Commission Share}$

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.80) = \text{Subgrantee Share}$

If a commission elects to retain a share that is less than 1% budgeted for administrative costs, adjust the calculation above, as appropriate.

If the commission elects to retain 2% of the administrative costs, to calculate these fractional shares, within Section III of the subgrant budget, **two-fifths (40%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and three-fifths (60%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:**

$([\text{Section I}]) + [\text{Section II}] \times 0.0526) \times (0.40) = \text{Commission share}$

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.60) = \text{Subgrantee Share}$

B. Federally Approved Indirect Cost Rate

If you have a federally approved indirect cost rate, this method must be used and the rate will constitute documentation of your administrative costs, not to exceed the 5% maximum federal share payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). CNCS does not restrict the overall indirect cost rate claimed. It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.

2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.

If a commission elects to retain a share of the 5% of federal funds available, please note the percentage or amount in the text. There is no separate line item to show this calculation.

3. To determine the Grantee share: Subtract the amount calculated in step 2 (the CNCS share) from the amount calculated in step 1 (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

C. De Minimis Rate of 10% of Modified Total Direct Costs

Organizations who have **never**, at any point in time, held a federally negotiated indirect cost rate (except for those non-Federal entities described in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals, paragraph (d)(1)(B)) and who receive less than \$35 million in direct federal funding, may indefinitely use a *de minimus* rate of 10% of modified total direct costs (MTDC). Additional information regarding what is included in MTDC and use of this option can be found at 2 CFR 200.414(f) and 200.68. If this option is elected, it must be used consistently across all federal awards.

Source of Funds

In the “Source of Funds” field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. (The total amount in the Source of Funds field should match the total amount in the budget narrative exactly.) Define all acronyms the first time they are used. The total amount of Source of Match should equal the Grantee Share amount.

Note: the value of the Segal Education Awards that members earn for their service is not identified in the budget. Also, the childcare reimbursements provided to eligible full-time members is not included in the budget.

ATTACHMENT D: Detailed Budget Instructions for Fixed Amount Grants (eGrants Budget Section) *These instructions apply only to applicants for fixed amount grants, including education award programs (EAPs). Do not use if you are a Professional Corps applicant.*

EAP and Fixed Amount grant applicants may only request a fixed amount of funding per MSY. Therefore, Fixed Amount applicants are not required to complete a detailed budget or complete the grantee share column. However, you must complete the source of match chart to identify the sources of the additional revenue you need to operate the program. If you are applying for a Stipended fixed amount grant, you must pay at least the minimum living allowance listed in the *Notice* for each type of position you are proposing.

Budget Section II. AmeriCorps Member Positions
Member Positions

Identify the number of members you are requesting by category (i.e. full-time, three quarter-time, half-time, reduced half-time, quarter-time, minimum-time) and list under the column labeled **#w/o Allow** (without CNCS-funded living allowance.) **Leave all other columns blank.**

The total number of member service years (MSY) will **automatically calculate** at the bottom of the Member Positions chart. The MSY are calculated as follows:

Member Positions	Calculation	MSY
_____ Full-time (1700 hours)	(_____ members x 1.000)	= _____
_____ Three quarter-time (1200 hours)	(_____ members x 0.70000000)	= _____

ATTACHMENT F: Budget Checklist

Below is a checklist to help you make certain that you submit an accurate budget narrative that meets AmeriCorps requirements. Note: This does not apply to fixed-amount grants.

In Compliance?	Section I. Program Operating Costs
Yes ___ No ___	Costs charged under the Personnel line item directly relate to the operation of the AmeriCorps project? Examples include costs for staff who recruit, train, place, or supervise members as well as manage the project.
Yes ___ No ___	Staff indirectly involved in the management or operation of the applicant organization are funded through the administrative cost section (Section III) of the budget? Examples of administrative costs include central management and support functions.
Yes ___ No ___	Staff fundraising expenses are not charged to the grant? You may not charge AmeriCorps staff members' time and related expenses for fundraising to the federal or grantee share of the grant. Expenses incurred to raise funds must be paid out of the funds raised. Development officers and fundraising staff are not allowable expenses.
Yes ___ No ___	The types of fringe benefits to be covered and the costs of benefit(s) for each staff position are described? Allowable fringe benefits typically include FICA, Worker's Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If the fringe amount is over 30%, please list separately.
Yes ___ No ___	Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item?
Yes ___ No ___	The purpose for all staff and member travel is clearly identified?
Yes ___ No ___	You have budgeted funds for State Commission and National Direct staff travel to CNCS sponsored meetings in the budget narrative under Staff Travel?
Yes ___ No ___	Funds to pay relocation expenses of AmeriCorps members are not in the CNCS share of the budget?
Yes ___ No ___	Funds for the purchase of equipment (does not include general use office equipment) are limited to 10% of the total grant amount?
Yes ___ No ___	All single equipment items over \$5000 per unit are specifically listed?
Yes ___ No ___	Justification/explanation of equipment items is included in the budget narrative?
Yes ___ No ___	All single supply items over \$1000 per unit are specifically listed and explained in the budget narrative?
Yes ___ No ___	Cost of items with the AmeriCorps logo that will be worn daily is included for all AmeriCorps members? Or if not, there is an explanation of how the program will be providing the AmeriCorps logo item to AmeriCorps members using funds other than CNCS grant funds.
Yes ___ No ___	You only charged to the federal share of the budget member service gear that includes the AmeriCorps logo and noted that the gear will have the AmeriCorps logo, with the exception of safety equipment?
Yes ___ No ___	Does the budget reflect adequate budgeted costs for project evaluation?
Yes ___ No ___	Have you budgeted the cost of the NSOPW, FBI, and state check in the CNCS share for criminal history checks of each member and grant-funded staff that are in covered positions per 45 CFR 2522.205? If not, have you provided an explanation of how the costs will be covered?
Yes ___ No ___	Are all items in the budget narrative itemized and the purpose of the funds justified?

In Compliance?	Section II. Member Costs
Yes ___ No ___	Are the living allowance amounts correct? Full-time AmeriCorps members must receive at least the minimum living allowance. Note: Programs in existence prior to September 21, 1993 may offer a lower living allowance than the minimum. If such a program chooses to offer a living allowance, it is exempt from the minimum requirement, but not from the maximum requirement.
Yes ___ No ___	Living allowances are not paid on an hourly basis? They may be calculated using service hours and program length to derive a weekly or biweekly distribution amount. Divide the distribution in equal increments that are not based on the specified number of hours served.
Yes ___ No ___	Is FICA calculated correctly? You must pay FICA for any member receiving a living allowance. Unless exempted by the IRS, calculate FICA at 7.65% of the total amount of the living allowance. If exempted from paying FICA, is the exemption noted in the budget narrative?
Yes ___ No ___	Is the Worker's Compensation calculation correct? Some states require worker's compensation for AmeriCorps members. Check with your local State Department of Labor or State Commission to determine whether or not you are required to pay worker's compensation and at what level (i.e., rate). If you are not required to pay worker's compensation, you will provide similar coverage for members' on-the-job injuries through their own existing coverage or a new policy purchased in accordance with normal procedures (i.e., death and dismemberment coverage).
Yes ___ No ___	Health care is provided for full-time AmeriCorps members only (unless part-time serving in a full-time capacity)? If your project chooses to provide health care to other half-time members, you may not use federal funds to help pay for any portion of the cost. Projects must provide health care coverage to all full-time members who do not have adequate health care coverage at the time of enrollment or who lose coverage due to participation in the project. In addition, projects must provide coverage if a full-time member loses coverage during the term of service through no deliberate act of his/her own.
Yes ___ No ___	Unemployment insurance is only budgeted if state law requires it?

In Compliance?	Section III. Administrative/Indirect Costs
Yes ___ No ___	Applicant does not have a current federally approved indirect cost rate and has chosen to use the CNCS-fixed percentage method and the maximum federal share of administrative costs does not exceed 5% of the total federal funds budgeted? To determine the federal administrative share, multiply all other budgeted federal funds by .0526.
Yes ___ No ___	Applicant has chosen to use CNCS fixed percentage method and the maximum grantee share is at 10% or less of total budgeted funds?
Yes ___ No ___	Applicant has a current approved indirect cost rate – The maximum grantee share does not exceed the federally approved rate, less the 5% CNCS share?
Yes ___ No ___	Applicant has a current approved indirect cost rate-the type of rate, the IDC rate percentage, the rate claimed and the base to which the rate is applied has been specified?
Yes ___ No ___	Applicant is directly applying to CNCS and the approved indirect cost rate agreement has been entered into eGrants?
Yes ___ No ___	Applicant has never had a federally approved indirect cost rate and is choosing to use a <i>de minimis</i> rate of 10% of modified total direct costs?

In Compliance?	Match
Yes ___ No ___	Is the overall match being met at the required level, based on the year of funding?
Yes ___ No ___	For all matching funds, proposed vs secured, the source(s) [private, state, local, and/or federal], the type of contribution (cash or in-kind), and the amount of match, are clearly identified in the narrative and in the Source of Funds field in eGrants?
Yes ___ No ___	The amount of match is for the entire amount in the budget narrative? (The total amount of match equals the amount in the budget?)

ATTACHMENT G: Alternative Match Instructions

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

Special Circumstances for an Alternative Match Schedule: Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35% instead of 50% as specified in the regulations at §2521.60(b). To qualify, you must demonstrate that your program is either located in a rural county or in a severely economically distressed community as defined below.

A. Rural County: In determining whether a program is rural, AmeriCorps will consider the most recent Beale code rating published by the U.S. Department of Agriculture for the county in which the program is located. Any program located in a county with a Beale code of 4, 5, 6, 7, 8, or 9 is eligible to apply for the alternative match requirement. See Attachment H for the Table of Beale codes.

B. Severely Economically Distressed County: In determining whether a program is located in a severely economically distressed county, AmeriCorps will consider the following list of county-level characteristics. See Attachment H for a list of website addresses where this publicly available information can be found.

- The county-level per capita income is less than or equal to 75 percent of the national average for all counties using the most recent census data or Bureau of Economic Analysis data;
- The county-level poverty rate is equal to or greater than 125 percent of the national average for all counties using the most recent census data; and
- The county-level unemployment is above the national average for all counties for the previous 12 months using the most recently available Bureau of Labor Statistics data.
- The areas served by the program lack basic infrastructure such as water or electricity.

C. Program Location: Except when approved otherwise, AmeriCorps will determine the location of your program based on the legal applicant's address. If you believe the legal applicant's address is not the appropriate way to consider the location of your program, you must provide relevant facts about your program location in your request. AmeriCorps will, in its sole discretion, determine whether some other address is more appropriate for determining a program's location.

If your program is located in one of these areas, see the instructions below for applying for this alternative match schedule. You must submit your request to the alternative schedule per the information contained in the *Notice*. AmeriCorps will review your request and notify you within 30 days if you qualify for the alternative schedule and provide instructions for entering your budget into eGrants under the Alternative Match Schedule.

If approved for the alternative schedules, programs will base their budget in the upcoming application on the approved alternative match. The alternative match requirement will be in effect for whatever portion of the three-year project period remains or if applying as a new grantee, for the upcoming three-year grant cycle.

D. Instructions for the Alternative Match Schedule: Programs operating in one state must send their requests to the State Commission for review and approval. The Commission will then forward the approved request to AmeriCorps for consideration.

ATTACHMENT H: Beale Codes and County-Level Economic Data for Alternative Match Requests

Rural Community

Beale codes are published by the U.S. Department of Agriculture and are used to classify counties as being more urban or more rural. Counties are designated on a scale from one to nine according to the following descriptions:

2003 Beale Codes		
Code#	Metropolitan Type	Description
1	Metropolitan	Counties in metro areas of 1 million population or more
2	Metropolitan	Counties in metro areas of 250,000 to 1 million
3	Metropolitan	Counties in metro areas of fewer than 250,000
4	Non-metro	Urban population of 20,000 or more, adjacent to a metropolitan area
5	Non-metro	Urban population of 20,000 or more, not adjacent to a metropolitan area
6	Non-metro	Urban population of 2,500 to 19,999, adjacent to a metropolitan area
7	Non-metro	Urban population of 2,500 to 19,999, not adjacent to a metropolitan area
8	Non-metro	Completely rural or less than 2,500 urban population, adjacent to a metropolitan area
9	Non-metro	Completely rural or less than 2,500 urban population, not adjacent to a metropolitan area

Any program located in a county with a Beale code of 4,5, 6, 7, 8, or 9 is eligible to apply for the alternative match.
